

Board Fit

Preparing Business Academic Leaders for Corporate Board Service
Presented by KPMG Board Leadership Center

We are delighted to invite you to *Board Fit*, an invitation-only seminar focused on preparing talented leaders for service on corporate (both publicly-traded and private) and large non-profit boards. This seminar, presented by the KPMG Board Leadership Center (BLC), is for senior business school academic leaders affiliated with The PhD Project.

The Program

KPMG Board Leadership Center's *Board Fit* program is an outgrowth of KPMG's commitment to boardroom excellence and the importance of strong, diverse boards. *Board Fit* is conducted by our center's board and governance experts.

Program Overview

The program is designed to be interactive and engaging. Our experts will take participants through a variety of important topics helpful to potential board candidates including:

- The state of corporate governance and the changing role of boards
- Current hot governance topics
- Understanding how board searches work
- Developing a personal roadmap for the board search process
- Voices of Experience – thoughts from academics currently serving on boards

Seminar Details

Registration fee has been waived for PhD Project members. You will be responsible for your travel and accommodation expenses.

Space is limited. If you are interested in attending any future events, please contact Myrna Varner, myrnavarner@kpmg.com.

About KPMG BLC

The Board Leadership Center champions outstanding governance to help drive long-term corporate value and enhance investor confidence. Through an array of programs and perspectives—including KPMG's Audit Committee Institute, the WomenCorporateDirectors Foundation, and more—the Center engages with directors and business leaders to help articulate their challenges and promote continuous improvement of public- and private-company governance.

Drawing on insights from KPMG professionals and governance experts worldwide, the Center delivers practical thought leadership—on risk and strategy, talent and technology, globalization and compliance, financial reporting and audit quality, and more—all through a board lens.
