Advocate Sherman Hospital in Elgin is an acute care hospital with highly skilled physicians and clinical professionals who have provided high-quality, comprehensive, and compassionate healthcare to Chicago’s Northwest suburbs for more than 125 years. The hospital sees more than 58,000 emergency room visits, delivers nearly 2,300 babies and performs close to 13,000 surgeries a year.

NATIONALLY RECOGNIZED FOR EXCELLENCE

CLINICAL EXPERTISE AND SPECIALTIES

Heart Care
Sherman has access to nearly every diagnostic and therapeutic tool available in the fight against heart disease, including the minimally invasive TAVR procedure for valve replacement.

Center for Advanced Liver & Pancreatic Care
Our specialists have performed the most liver and pancreatic procedures in Chicagoland and offer treatment such as surgery and interventional radiology.

Neurosurgery
The Brain & Spine Institute is a Certified Primary Stroke Center for its readiness to handle stroke-related medical problems.

Food pantry and fresh produce partnership helps address food insecurity for patients and the community.

Diabetes care outreach that provides evidence-based diabetes education to the area’s Latino population.

CARING FOR OUR COMMUNITIES

Mobile integrated health program follows up with patients in their homes and reduces unnecessary ER and inpatient visits.
