Colleague Education Program Highlights

CVS Health® encourages ongoing learning. Find tools and reimbursements to reach your educational goals.

- **Get a degree for free:** CVS Health partners with SEI (Capella University & Strayer University) and Colorado Technical University (CTU) to offer many degree programs with no out-of-pocket cost to you when using tuition reimbursement.

- **Tuition reimbursement:** Up to $3,000 annually for degree programs and up to $1,500 for approved non-degree programs, including the career online high school program.

- **Eligibility:** If regularly scheduled to work 30 or more hours per week, eligible first day of the month following hire date. If regularly scheduled to work less than 30 hours per week, eligible after 90 days of service.

- **Bright Horizons EdAssist Solutions®:** Helps CVS Health administer the program, with the following support services:
  - **Online platform** for submitting your applications, grades and receipts. Also provides access to webinars and other resources for adult learners.
  - **Education coaches** help discuss program and school considerations and assist with finding career-relevant educational options. You are strongly encouraged to reach out before submitting your first application for a new education program.
  - **Education network** includes over 230 schools that cater to adult learners by offering more flexible learning options, cost savings through tuition reductions, waived fees and custom programs of study. Many colleges extend tuition benefits to immediate family members.

Learn more about the Colleague Education Program on Colleague Zone.

**Bright Horizons EdAssist Solutions and Five Smart Steps to Success:**

1: Schedule a free session with EdAssist to find the degree program and college that best meet your needs. This step is optional, but highly recommended. Link to the EdAssist website from Colleague Zone or call 1-877-410-6919.

2: Carefully review your school options, including the CVS Health partner schools. Contact your desired college, discuss your educational goals and complete admission application forms.

3: Apply for tuition reimbursement on the EdAssist site prior to taking each course.

4: Successfully complete your course(s).

5: Apply for reimbursement on the EdAssist site; submit required documentation.

That’s it; once EdAssist approves your application for reimbursement, see your payment in your next one to two paychecks. You’re on your way to your degree!
# Colleague Education Program Partnerships

CVS Health partners with select educational institutions to provide affordable and accessible education options.
