1 Find It Fast: We help you search our databases and find evidence based medicine resources.

2 Instruction: We teach classes on a variety of topics including PubMed, Cochrane Library, and CINAHL. We customize library orientations upon request. Classes are announced via institutional distribution lists and the *eNews Bulletin*.

3 Reference & Consultation: We help you design literature reviews for research projects. If you need other information, just ask us! We are more than a medical library.

4 Books: Yes, we still have print books, as well as daily newspapers.

5 Popular Sites:

AccessMedicine	DynaMed
AccessSurgery	MD Consult
ACP Medicine	PubMed@NSUH
CINAHL	UpToDate
Cochrane Library	Web of Knowledge

6 Can't Find It? We obtain materials for you by interlibrary loan. Most material will be emailed to you within two business days. Please register as a library user.

7 Audiovisual Services: We loan laptops, LCDs, etc. for in-house use. We will also assist in preparing presentations. Email requests to NSUHA-VRequests@nshs.edu or call 562-4768.

8 Conference Scheduling: The meeting room schedule can be found on HealthPort, QuickLinks, Conference Room Scheduling NSUH. To request a room, email ConfSchedNSUH@nshs.edu.

9 Computers: We have computers (PCs and Macs) for database searching, browsing, email, and social media.
