About the program

WTW's Corporate Risk & Broking (CRB) summer internship is a paid program that runs for eight weeks. The program provides an excellent opportunity for students one year away from graduation to gain hands-on experience and contribute to our business over the course of the summer. Interns will get involved in team projects presentations, and experience a range of speakers including panel discussions, and networking opportunities with colleagues at different levels.

At the end of the summer, high-performing interns will be considered for the full-time Graduate Development Program.

Interns can be placed in the following business areas:

Broking/Placement	Insurance Solutions (Underwriting)
Risk & Analytics	Market Solutions
Global Service Solutions (GSS)	Finance
Affinity	

Program locations

LA, Dallas, Houston, New York, Chicago, Atlanta, and Toronto.
