Your Benefits, Your Way

Corteva provides a comprehensive selection of benefits designed to help you grow and thrive through all stages of life.

We’re proud of the enhancements we’re introducing for 2024. We believe our high-quality, affordable, and flexible benefits reflect the unique needs of our employees and their families, as well as Corteva’s business, values, and culture.

This year we are:

• Introducing a new PPO Copay medical plan option, to be offered alongside our two high-deductible health plans.

• Introducing new Caregiving Support to help you find care for your loved ones at every stage of life, including 10 days of Corteva-subsidized backup care.

• Providing all employees globally with inclusive Family Formation Benefits to help you navigate your parenthood journey and beyond, including fertility, adoption, surrogacy, and menopause.

• Improving our Telehealth Services by making it easier to access primary care and behavioral health services.

• Introducing new Voluntary Benefits programs to help your family save money, live better, and feel protected.

If you are a new hire or newly eligible employee, we welcome you to Corteva benefits!

You are eligible for Corteva benefits if you are a regular, full-service employee working at least 20 hours a week.

Additional eligibility rules apply, including for your spouse/domestic partner and dependents. Access Corteva Connection at http://digital.alight.com/corteva, for details.

Don’t forget to check out cortevabenefits.com. It’s a year-round website that both you and your family members can access from anywhere to get information about your Corteva benefits. No password required!

**Important!**

If you’re an employee working in **California**, **Hawaii**, **Puerto Rico**, or an expatriate on international assignment, your health care benefits might be different – as noted throughout this guide. Find additional details in the **2024 Benefits Spotlight** posted on [cortevabenefits.com](http://cortevabenefits.com).

You’ll want to have both this Guide and the **Benefits Spotlight** available when you enroll to get a complete picture of your available Corteva benefits.
About 2024 Changes
What’s New for 2024

With affordability, flexibility, and inclusivity top of mind, our benefits for 2024 offer you meaningful choices so you can make the best decisions for you and your family. Changes take effect on January 1, 2024, unless otherwise noted.

Removing Working Spouse/Domestic Partner Rule

We are removing the “working spouse/domestic partner” eligibility provision. This means all spouses/domestic partners of Corteva employees, regardless of the cost of primary coverage through their employer, can be enrolled in Corteva medical coverage (primary or secondary).

New Medical Plan Option

We’re excited to introduce a new medical plan option for 2024. The PPO Copay plan option may help you better manage your costs with lower deductibles and copays at the time of service, meaning it provides coverage for medical expenses sooner. But, you’ll pay higher monthly premiums. We encourage you to visit Corteva Connection for tools to help you compare your medical plan options.

Premium Changes for 2024

- Medical premium costs are increasing consistent with expected cost increases for health care services in the U.S. Corteva continues to share the costs associated with the care you receive.
- The High Option dental premium costs are increasing, while the Standard Option dental premium costs will remain the same.

Helping to manage health care costs

Corteva works with our carriers to provide resources and tools that help ensure access to quality care at the best possible price. You can also help control plan costs by getting preventive care as recommended, using network providers, and following proper adherence to medications that you’re prescribed. Participating in our Próspera Wellness Program and earning healthy incentive credits also provides a way to offset what you pay. Together, we can focus on well-being and mitigating future increases.

If you’re an employee in Hawaii, Puerto Rico, or an expatriate on international assignment

Not all changes shown here may apply to you. You may also have additional changes that are highlighted in your 2024 Benefits Spotlight.
What’s New for 2024

Deductible Changes
The Core plan deductibles are changing to ensure compliance with IRS requirements for the minimum required annual deductible for high-deductible health plans in 2024.

<table>
<thead>
<tr>
<th>Core Option</th>
<th>In-network</th>
<th>Out-of-network</th>
</tr>
</thead>
<tbody>
<tr>
<td>Annual deductible</td>
<td>$1,750 individual/$3,500 other coverage levels</td>
<td>$3,500 individual/$7,000 other coverage levels</td>
</tr>
</tbody>
</table>

Expanding Telehealth Services
Beginning January 1, 2024, you’ll have access to expanded telehealth services, including primary care and behavioral health, through Well360 Virtual Health. You can continue to use Teladoc for non-emergency care until December 31, 2023.

Introducing PrudentRx for Specialty Medications
Prescription drugs, especially specialty medications, can be expensive. That’s why we’re partnering with PrudentRx to offer $0 out-of-pocket cost for eligible specialty medications.

Health Savings Account (HSA) Contribution Limit Increases
- You may contribute more to your HSA in 2024:
  - Up to $3,550 if you cover just yourself, and
  - Up to $7,1001 if you cover anyone else (spouse or domestic partner and/or children).
- You may continue to contribute up to an additional $1,000 if you are or turn age 55, or older, in 2024.
- The Corteva contribution isn’t changing:
  - $600 if you cover just yourself, and
  - $1,200 if you cover anyone else.

---

1. Includes any contributions made by your spouse/domestic partner, assuming your domestic partner qualifies as a tax dependent.
New Global Family Formation Benefits

At Corteva, we support all paths to parenthood and beyond, and understand that each experience is unique. That’s why we’re partnering with Carrot, a leading global fertility care provider, to help you navigate all parts of your journey, including fertility, adoption, surrogacy, return to work, and menopause.

Beginning January 1, 2024, all employees globally will be eligible for:

- **$25,000 benefit** (globally converted into comparable amounts).
- **24/7 emotional support, provider navigation, and benefit education** through a dedicated team of experts; as well as access to a network of high-quality, affordable providers.

Find more details on page 34.

Enhanced Bereavement Leave

When you lose a loved one, it’s important you have time to grieve and take care of yourself and your family.

- We’re enhancing benefits for the loss of an extended family member, to 3 days of paid time off.
- We’re introducing 5 days of paid time off benefits for a miscarriage.

New Caregiving Support

We’ve partnered with Care.com to help you find care for your loved ones at every stage of life. Corteva employees will have early access to explore the Care.com platform beginning October 18, 2023.

Beginning January 1, 2024, Corteva employees will also have access to:

- **Backup Care:** With the world’s largest network of in-home and in-center providers, care is always available. **Corteva will provide employees up to 10 subsidized backup care days per year** (in-home backup copay: $4/hour; in-center backup copay: $15/day).
- **Care Membership:** Unlimited access to the world’s largest network of vetted and background-checked caregivers for short- and long-term care. You can search for, be matched with, and hire a caregiver. And, you can also connect with local families to create a nanny share or learning pod.
- **24/7 Care Specialists:** You’ll be matched with an expert who offers guidance, vetted solutions, and concrete action plans. Whether you’re wondering how to evaluate childcare options or trying to find the best care solution for an aging parent, these trained and dedicated specialists are ready to help.

Learn more on page 34.
What’s New for 2024

Life Insurance Buy-Up Opportunity without EOI

During Annual Enrollment, you will have the opportunity to buy additional life insurance coverage for yourself without evidence of insurability (EOI).

• If you are enrolling for the first time, you can elect 1x your annual pay without providing EOI, up to a maximum of $1,000,000.
• If you are already enrolled, you can increase coverage by 1x your annual pay without providing EOI, up to a maximum of 9x or $7,000,000.

Not sure how much supplemental life insurance you need? Be sure to check out Benefit Scout*, an educational tool designed to help you understand and make decisions about your group term life insurance needs. The tool takes into account certain information about you in order to provide a recommendation for which benefits may best fit your needs, although additional factors may be important. Based on the information you provide, Benefit Scout recommends options available to you.

Get started at lifebenefits.com/corteva.

* Please be aware that coverage you may have through the Corteva plan for Employee Term Life Insurance is not represented within this tool. The values are specific to the Employee life (employee paid) coverage offered through Securian. Corteva provides coverage in the amount of 1x pay. Please note that any premiums or rates on this site are being provided as an estimate. The exact amount that will be deducted from your payroll can be viewed on Corteva Connection.
Benefits Eligibility

Your eligible dependents include the following:

Spouse/Domestic Partner (same or opposite gender)

• Must be a legal spouse or domestic partner who meets the criteria as described in the domestic partner handbook (located on Corteva Connection).

Child

• Your dependent qualifies as your child if he or she is your or your spouse’s/domestic partner’s biological or adopted child, stepchild, foster child, or a child for whom you have court-appointed permanent legal guardianship or a Qualified Medical Child Support Order (QMCSO), until the end of the month in which your child turns age 26.

Special Rules for Corteva Couples

If you and your spouse/domestic partner both work for Corteva, special rules apply to help you avoid purchasing unnecessary duplicate coverage.

Medical, Dental, Vision, and Spending Accounts

• One spouse/domestic partner can cover both of you, or you can each purchase separate coverage. You cannot be covered as a participant in the medical, dental, or vision plans under your coverage at the same time as you are covered as a dependent under your spouse’s/domestic partner’s coverage.

• Eligible dependents cannot be covered by more than one employee.

• If you are enrolled in a Limited Purpose Health Care Flexible Spending Account or Dependent Care Flexible Spending Account (DCFSA) (if eligible), keep in mind you are subject to IRS maximums based on your tax filing status. Please see page 27 for more information.

Voluntary Benefits

• You and your spouse cannot be covered as both an employee and a dependent under these plans.

Accidental Death Insurance

• Each of you can elect spouse/domestic partner coverage.

• Each of you can elect coverage for the same eligible child, but the combined coverage cannot exceed $200,000 per child ($100,000 per parent).

Dependent Life Insurance

• You and your spouse/domestic partner can cover each other under this plan.

• You and your spouse/domestic partner can each cover your eligible dependent children under this plan. Your combined maximum coverage for each child is $40,000.
How to Enroll in Corteva Benefits

During Annual Enrollment

Each year you have an opportunity to review and change the benefits you want for the following year for you and your family.

When you can enroll

Annual Enrollment will take place from **October 25 to November 7, 2023**, for 2024 benefits elections.

How you can enroll

Go to [Corteva Connection](http://digital.alight.com/corteva) at http://digital.alight.com/corteva to review or change benefits online.

For additional help or to enroll by phone, call Corteva Connection at 1-800-775-5955. Representatives are available from 9:00 a.m. to 6:00 p.m., ET.

If You Don’t Enroll

If you don’t enroll between October 25 and November 7, you will not be able to make changes to your benefits until next year’s Annual Enrollment (unless you have a qualifying life event during the year). See page 12 for information on qualifying life events.

If you don’t enroll or opt out of coverage, these elections will remain the same in 2024 at 2024 rates:

- Medical
- Dental
- Vision
- Health Savings Account (HSA)
- Employee Life Insurance
- Spouse Life Insurance
- Accidental Death Insurance
- Child Life Insurance
- Voluntary Benefits:
  - Critical Illness Insurance
  - Accident Insurance
  - Hospital Indemnity Insurance

Elections for the Limited Purpose Health Care FSA and Dependent Care FSA do not carry over. You must make an election during Annual Enrollment or you will not have these accounts in 2024.

Enroll with the App

Enroll from anywhere! Download the Corteva Connection app today.

Search your device’s app store for “Alight Mobile,” or scan here for quick access. Enter “Corteva” when prompted and log in using the same User ID and password you use for the desktop version of Corteva Connection.

Confirmation Statement

All employees will receive a confirmation statement by mail. If you have email as your preferred method of communication and made changes during Annual Enrollment, you will receive an email statement in addition to the mailed version.
Newly Hired Employee?

When you can enroll
You will receive an email from Corteva Connection within two to three business days from your hire date. You have 31 days from the date you become eligible for benefits to choose the Corteva benefits you would like to have for the rest of the year.

Enrolling within 31 days will ensure your medical and dental coverage starts on the date you become eligible. Other benefits may have different effective dates (see Corteva Connection at http://digital.alight.com/corteva).

How you can enroll
Go to Corteva Connection at http://digital.alight.com/corteva to review or change benefits online.

Or for additional help or to enroll by phone, call Corteva Connection at 1-800-775-5955. Representatives are available from 9:00 a.m. to 6:00 p.m., ET.

The following benefits are available to you:

- Medical coverage (including Prescription)
- Dental coverage
- Vision coverage
- Health Savings Account (HSA)
- Retirement Savings Plan (RSP) (enroll through Merrill)
- Limited Purpose Health Care Flexible Spending Account
- Dependent Care Flexible Spending Account (DCFSA)
- Employee Assistance Program (EAP)
- Family Formation Benefits
- Caregiving Support
- Employee Life and Dependent Life Insurance
- Accidental Death Insurance – Company Paid
- Voluntary Accidental Death Insurance
- Occupational Accidental Death Benefit (OADB) – Company Paid
- Voluntary Benefits:
  - Critical Illness Insurance
  - Accident Insurance
  - Hospital Indemnity Insurance
  - Legal Services
  - Home & Auto Insurance
  - Pet Insurance
  - Identity Theft Protection
  - Group Universal Life with Long Term Care
- Time away from work benefits:
  - Holidays
  - Well-Being Leave
  - Choice Time
  - Global Parental Leave
  - Short-Term Disability (STD)
  - Long-Term Disability (LTD)

Default coverage
If you don't enroll within 31 days of the date you become eligible for benefits, you will be automatically enrolled in:

- Medical: Core option; employee-only coverage (premiums apply); no Company contribution to the HSA (until you certify HSA eligibility, and then your Company contribution will be prorated based on the date you became eligible)
- Dental: Standard option, employee-only coverage (premiums apply)
- Life and Accidental Death Insurance: Employee Life Insurance and Accidental Death Insurance at 1x your salary (Company-paid); Occupational Accidental Death Benefit at 3x your salary (Company-paid)

Need details?
For detailed plan information, select the Summary Plan Descriptions (SPDs) and Benefit Documents tile from the Corteva Connection homepage. You can also call Corteva Connection to request a printed copy of SPDs. And don’t forget to check out cortevabenefits.com for additional year-round benefits information for you and your family!
Changing Your Coverage During the Year

Qualifying Life Events

In general, you cannot change the coverage you elect until the next Annual Enrollment period.

If you have a “qualifying life event,” you can enroll in or change your benefits during the year. **You must make changes to your benefits within 31 days of a qualifying life event.** The change must be consistent with the type of life event you are experiencing.

Examples of qualifying life events include:

• Marriage or establishment of a domestic partnership, as certified by filing an Affidavit of Domestic Partnership
• Divorce or termination of a domestic partnership, as certified by filing an Affidavit of Termination of Domestic Partnership
• Death of a spouse/domestic partner
• Birth or adoption of a child, or a child placed with you for legal guardianship or foster care
• Death of a child or child’s loss of eligibility for benefits
• A significant change in your eligible spouse’s/domestic partner’s medical coverage
• The start of or return from a military leave of absence when an employee is called up to active duty
• Change in the cost of day care (for the Dependent Care FSA only)
• Change in your or your spouse’s/domestic partner’s employment status that affects eligibility for benefits, including:
  – A switch from part-time to full-time status, or vice versa
  – Start or end of employment
  – Start of or return from an unpaid leave
  – Retirement
  – An unpaid leave of absence by you or your spouse/domestic partner

To make a benefit change due to a qualifying life event, log on to Corteva Connection or call 1-800-775-5955 and process your qualifying life event. You will have 31 days to make any changes to your benefits.

Enrolling your newborn for coverage

If you wish to enroll your newborn child for Corteva medical coverage, you must enroll them within 31 days of the child’s date of birth for the medical coverage to be effective as of the child’s date of birth. Call Corteva Connection at 1-800-775-5955.

Note: Your newborn’s Social Security number is not required until a year from their date of birth.
Corteva Connection

Your Personalized Benefits Resource

Corteva Connection is your go-to personalized benefits website. It is easy to use, secure, and gives you control when it comes to learning about and managing your benefits.

Use Corteva Connection to:

• Enroll in your Corteva benefits and update your eligible dependents.
• Access tools to help you compare, choose, and make the most of your health and insurance benefits.
• Review and update your life insurance beneficiary designations.
• Connect to other benefits resources, such as your medical plan carrier.
• Make changes to your benefit elections when you have a qualifying life event during the year (for example, you get married or have a baby).

If you prefer, you can call the Corteva Connection Service Center to speak directly to an expert about your Corteva benefits. Representatives are available Monday through Friday, from 9:00 a.m. to 6:00 p.m., ET.

Using Corteva Connection for the First Time

If you are using Corteva Connection for the first time, you will need to create a User ID and password. Here’s how:

• Go to Corteva Connection at http://digital.alight.com/corteva; and
• Click on the New user? link.

You will be asked to provide the last four digits of your Social Security number and your date of birth to establish your User ID and password.

If you haven’t set up your password online, enter your home ZIP code.

You’ll also be prompted to create a password which will expire every 90 days. You’ll use your password when you log on or call Corteva Connection.

Accessing Corteva Connection is easy

Corteva Benefits at a Glance
Medical Plan

Offering a choice of medical plan options is important. Each of us has our own health care needs and preferences, and choosing a plan is a personal decision. For 2024, you will see a new option called PPO Copay, a medical plan with higher monthly premium costs but lower out-of-pocket costs when you are paying for care.

All three medical plan options are administered by Highmark Blue Cross Blue Shield (BCBS), utilizing the same network of physicians, hospitals, and other health care providers. They also cover the same benefits and services, including free preventive care if you visit an in-network provider, and prescription drug coverage is automatically included. The Core and Premium Saver options include a Health Savings Account (HSA), assuming you certify that you meet the HSA eligibility requirements on Corteva Connection when you enroll, and Corteva will make a contribution.

The plan options differ by giving you a choice of the amount you pay for premiums and your cost when you receive care. All three options offer different contributions, deductibles, and out-of-pocket maximums. As you evaluate which medical plan option will best meet your needs, don’t forget to consider the appropriate tax-advantaged accounts that complement the medical plan option you select.

</tr>
</tbody>
</table>

---

1. If you purchase a brand-name drug for which a generic equivalent is available, you will be responsible for paying the difference in costs between the two drugs. Additionally, prescription drugs purchased out-of-network are subject to reasonable and customary (R&C) limits.

2. Applies before and after deductible is met when a generic equivalent is not available [e.g., contains the same active ingredients in the same strength]. If a generic equivalent is available, you will pay the difference between the generic and brand cost; coinsurance will not apply.

3. The amount you pay for maintenance medications filled more than two times at a retail pharmacy other than CVS does not apply toward the deductible and out-of-pocket maximum. Even if you’ve reached your deductible and out-of-pocket maximum, you still pay the full cost for maintenance medications filled more than twice at a retail pharmacy other than CVS.

4. The out-of-pocket maximum does not apply to infertility services. There is an infertility lifetime maximum benefit per family of $15,000 for medical and $10,000 for prescription drugs.

</table>

1. Premiums shown are bi-weekly and do not reflect the $600 annual tobacco user surcharge.
2. Your Healthy Incentive Credit amount may vary based on how much you’ve earned. The maximum possible credit amount is $300 per year.

What you pay

Healthy Incentive Credit

The Healthy Incentive Credit reduces your medical plan premiums each month. It is available to active, U.S. benefit-eligible employees (not spouses/domestic partners or dependents) ages 18 and over, who enroll in the Company medical plan and complete the steps required to earn the credit.

Employees who become eligible for benefits during the plan year and elect medical coverage through Corteva will automatically receive the 2024 Healthy Incentive Credit. In future years, you will be required to complete certain steps to earn the credit.

Learn how to earn credits on page 29.

Tobacco User Surcharge

(Does not apply to employees in Hawaii or Puerto Rico, or to expatriates on international assignment.)

Employees who use tobacco are subject to a $600 annual surcharge, which is added to your bi-weekly premiums. To avoid the surcharge, tobacco users must complete three tobacco cessation coaching sessions by phone and complete one online Journey (both through Virgin Pulse®). Depending on demand, you may have to wait several weeks between coaching sessions. For more information, call Virgin Pulse at 1-888-671-9395.

Additionally, you have:

- Free prescription tobacco cessation medication as part of the medical plan. Call CVS Caremark at 1-855-296-7682 to learn more.
- Up to 12 free Employee Assistance Program (EAP) sessions per year for each unique situation. Go to mylifematters.com (Sign in Name: CORTEVA1) or call 1-800-634-6433.

Kaiser Permanente HMO participants:
Call Kaiser Permanente at 1-800-464-4000 to learn more.

Employees who become eligible for benefits during the plan year will not be assessed the tobacco user surcharge for that year. Additionally, if your eligibility date is on or after July 1, 2024, the surcharge for 2025 is waived.
**Where to Go for Care: Cost-saving Tips**

The cost of medical services can vary widely depending on where you go to receive care as well as diagnostic services, such as X-rays or lab work.

**Non-emergency care**

Using telehealth or visiting your PCP is a smarter health care decision than using an urgent care center or emergency room for non-emergency care.

Highmark Connect Advocate Service

A healthcare concierge can make healthcare work better for you

When you have questions during the year about your healthcare, tap into this team of experts dedicated to answering your questions and connecting you to the right tools. They can help you:

- Find in-network doctors or facilities
- Understand your medical claim, provider bill, or explanation of benefits
- Schedule appointments
- Identify cost-effective care
- Understand your plan’s benefits
- Find other healthcare resources for you

Health and Wellness Coaches
- **The benefit:** Expert help to quit smoking, lose weight, eat more healthfully, and more.
- **Start by:** Calling 1-844-946-6257.

Complex Care Management
- **The benefit:** A health coach can help you recover from a hospital stay, deal with multiple medical problems, and more. Their services include scheduling follow-up visits, helping fill prescriptions, and arranging therapy.
- **Start by:** Highmark will reach out if you have an inpatient hospital admission. Or you can initiate care management by calling 1-844-946-6257.

Diabetes Prevention Program
- **The benefit:** A 12-month program that can help you make lasting changes, such as losing 5% of your weight to reduce your risk for diabetes.
- **Start by:** Calling 1-844-946-6257.

Baby Blueprints: Maternity and Newborn Care
- **The benefit:** Help with care before and after your baby is born.
- **Start by:** Calling 1-866-918-5267 to enroll.

Well360 Virtual Health

See a doctor anytime day or night with convenient virtual primary care and behavioral health visits.

A Well360 Virtual Health doctor is significantly less expensive than urgent care and emergency room visits, and the charges are applied to your medical plan deductible. You can connect via phone or via the mobile app, available from the App Store or Google Play.

Quick tip:
Don’t wait until you’re sick or need care to register with Well360 Virtual Health. Beginning January 1, 2024, sign up for your account so that when you need care – such as in the middle of the night or when you’re under the weather – your access to Well360 Virtual Health doctors is fast and easy. You will be asked to complete your medical history during registration.

✔ Save time:
Talk to a U.S.-licensed primary care or behavioral health doctor in minutes instead of waiting hours or days for an appointment.

✔ Save money:
Virtual visits are less expensive than the cost of your primary care physician.

✔ Feel better:
Get a diagnosis, treatment, and prescription when appropriate.

Live in Hawaii, Puerto Rico, or an expatriate?
Your telemedicine provider is different. Contact information is available through your health plan, or see your 2024 Benefits Spotlight.

Prescription Drug Coverage

You will be automatically enrolled in prescription drug coverage through CVS Caremark when you elect one of the Highmark medical plans. Your prescription drug costs will depend on whether you choose to purchase your medication in a retail pharmacy or by mail order, at an in-network or out-of-network pharmacy, and depends on the category of the drug on the CVS Caremark drug list (also called a formulary).

Information on how to view drug pricing, finding an in-network pharmacy, and the 2024 formulary is available on Corteva Connection.

Where to Purchase Medications

You can purchase up to a 30-day supply of a drug at any retail pharmacy, although you may save money when you use an in-network pharmacy. In-network pharmacies include CVS, Walgreens, Giant, Kroger, Rite Aid, Walmart, Target, and many others.

For long-term maintenance medications, fill up to a 90-day supply by mail, or order and fill it at a CVS retail pharmacy for the same price as using mail order.

When you’ll pay more — and less

<table>
<thead>
<tr>
<th>Scenario</th>
<th>Cost Calculation</th>
</tr>
</thead>
<tbody>
<tr>
<td>If a generic equivalent is available and you choose a brand formulary (preferred) or brand non-formulary (non-preferred) drug:</td>
<td>You pay the difference between the cost of the generic and brand-name drug. Coinsurance does not apply.</td>
</tr>
<tr>
<td>For the third and subsequent fills of a maintenance medication filled at a retail pharmacy other than CVS:</td>
<td>You pay 100% of the cost. There is no out-of-pocket maximum that applies.</td>
</tr>
<tr>
<td>If you purchase a prescription drug at an out-of-network pharmacy:</td>
<td>Reasonable and customary (R&amp;C) limits apply.</td>
</tr>
</tbody>
</table>

Requirements for Maintenance Medications

Maintenance medications refer to longer-term prescriptions you take for ongoing conditions, such as treatment for high blood pressure or diabetes.

To ensure you’re taking advantage of the most efficient means to fill these prescriptions, you will be required to use either a CVS pharmacy or the mail-order pharmacy after your second refill. You can fill a maintenance prescription twice at any retail pharmacy and receive coverage. After the second refill, though, you must use either a CVS pharmacy or order the prescription through mail-order. If you fill it for a third time at a retail pharmacy other than CVS, it will not be covered, and you will pay 100% of the cost. Please note this requirement varies by state.

Deductible Waived for Preventive Medications

These drugs are not subject to the deductible:

- Preventive care medications, such as generic contraceptives and smoking cessation medications, that are free under your Highmark medical plan benefits; and
- Certain additional medications identified by the IRS as preventive. Instead of paying toward the deductible, you’ll pay a coinsurance amount, which counts toward your out-of-pocket maximum.

These additional medications are prescribed 1) for a person who is at risk of having a particular disease or condition but who doesn't yet have any symptoms, and 2) to prevent a disease from returning.

Medications classified as preventive can be confirmed on the CVS Caremark website at [www.caremark.com](http://www.caremark.com), or access the preventive medication list on Corteva Connection or cortevabenefits.com.
PrudentRx Program for Specialty Medications

PrudentRx can help you and your family manage costs for specialty medications.

If you are enrolled in the Core or Premium Saver plan option, you must meet your deductible before you are eligible for $0 out-of-pocket cost, unless the medication qualifies as “preventive care” under the Internal Revenue Code. Please note: Amounts paid toward eligible medications on your behalf, including amounts paid by a manufacturer copayment assistance program, do not count toward your deductible or out-of-pocket maximum, unless required by law.

If you currently take a PrudentRx-eligible specialty medication, you will receive a welcome letter in November or December and a PrudentRx Advocate will reach out to you. Your enrollment will begin automatically, but PrudentRx may contact you for additional information or to enroll you in copay assistance. If you do not return their call, choose to opt-out of the program, or if you do not affirmatively enroll in any copay assistance as required by a manufacturer, you will be responsible for the full amount of the 30% coinsurance on PrudentRx-eligible specialty medications.

Beginning January 1, 2024, please contact PrudentRx at 1-800-578-4403 or visit prudentrx.com for more information.

About specialty medicines

Specialty medicines are drugs used to treat complex conditions, such as anemia, growth hormone deficiency, hemophilia, hepatitis C, high cholesterol, multiple sclerosis, and rheumatoid arthritis.

Whether they’re administered by a health care professional, self-injected, or taken by mouth, specialty medicines require special handling. These drugs are complex to use and expensive, and your therapy could require frequent adjustments to your doses and intensive clinical monitoring.

Call CVS Specialty at 1-800-237-2767 for details.

Health Savings Account (HSA)

The HSA is a bank account opened in your name through Bank of America when you enroll in the Core or Premium Saver medical plan option (and verify your HSA eligibility). Corteva contributes to your HSA, and so can you. The more you contribute from your paycheck on a tax-free basis, the more you can save to use toward medical expenses in the future. Remember to consider any contributions made with a previous employer during the same calendar year to ensure you do not contribute more than the IRS maximums and incur penalties.

For 2024, after Corteva’s contribution you can contribute up to:

- $3,550 if you cover just yourself (for a total of $4,150 in 2024);
- $7,100\(^1\) if you cover more than yourself (for a total of $8,300 in 2024); and
- An additional $1,000 if you are or are turning age 55 or older in 2024.

Note: Your employer and any employee HSA contributions will begin with your first pay statement in the month following your medical elections. Contributions will post to your account shortly after they show on your pay statement.

Use your personal and Company contributions to pay for any expenses that are applied toward your deductible or out-of-pocket maximum (for example, doctor office visits or prescription drug coinsurance amounts) or — since the money rolls over each year — save it for future eligible medical expenses. Check with your tax advisor for additional tax requirements.

Learn more about the Corteva HSA through Bank of America, the HSA administrator, at myhealth.bankofamerica.com or 1-877-319-8115.

How to Pay for Your HSA Eligible Expenses

There are three ways to access and use your funds:

1. The Bank of America Visa debit card
   Use your card at most pharmacies and physician’s offices (where Visa is accepted) and select Credit or Debit at the register for automatic deduction.

2. Health care provider payments
   When you receive an invoice, use the Bank of America website or mobile app to request that your provider is paid directly from your account (like online bill payment — and once the claim is approved, the provider will receive a check within 7–10 business days), or you can elect to pay certain providers by electronic funds transfer (EFT).

3. Reimbursement requests
   If you pay out-of-pocket for health care services, you can request reimbursement for yourself through the Bank of America website either electronically (direct to your personal checking or savings account) or by receiving a check.

For information on how the HSA payment coordinates with the Limited Purpose Health Care FSA, see “Flexible Spending Accounts (FSAs)” on page 27.

\(^1\) Includes any contributions made by your spouse/domestic partner, assuming your domestic partner qualifies as a tax dependent.
How the HSA Helps You Save — Now and for the Future

When you enroll in the Core or Premium Saver medical plan (and certify you meet the IRS eligibility criteria), a bank account will be opened in your name through Bank of America called a Health Savings Account (HSA). You will own and control this account for your health care expenses.

**Contribute $**

**Corteva contributes** to your account by your second regular pay of the plan year:

- **$600** (if you cover yourself)
- **$1,200** (if you cover more than yourself)

**You contribute** in tax-free deductions from your paycheck up to:

- **$3,550** (if you cover yourself)
- **$7,100** (if you cover yourself and others; also includes any contributions made by your spouse)

An additional **$1,000** if you are turning age 55 or older in 2024

**Grow $$**

Your account earns interest and once you reach $1,000, you can **invest in mutual funds**

Funds can be withdrawn from investments for eligible expenses at any time without fees or penalties

**Use $$$**

Use the money for eligible health care expenses now or at any time in the future

Money you don’t use rolls over each year

1. All investing is subject to risk, including possible loss. Talk with your tax advisor about your situation, including tax implications.

**Triple-tax advantage**

- You pay less in taxes from your paycheck now
- You don’t pay any taxes on earnings
- You don’t pay taxes on the money from the account used to pay eligible health care expenses
The Core and Premium Saver Medical Plans and the HSA Are Separate and Unique

Core or Premium Saver Medical Plan
Provides coverage for health care services

- You receive comprehensive medical coverage and competitive benefits;
- If you enroll and verify your eligibility, you will have access to an HSA through Bank of America;
- Preventive care (such as annual physicals) is covered at 100% and is not subject to the annual deductible;
- For non-preventive care, you will pay full costs for your care until you reach your deductible (you can pay for these costs with money you receive from the Company in your HSA, your HSA contributions, or your personal savings); and
- For in-network care, you pay based on the network-negotiated rate.

Health Savings Account (HSA):
Helps you pay for health care services

- The HSA is a bank account with Bank of America that you own;
- The Company contributes to your account in one lump sum with your first regular pay cycle that includes a day of the new plan year (new hires will receive a prorated deposit amount with the end of the first pay cycle occurring after the first of the following month);
- If you are an active employee with an HSA balance, your HSA will remain open under the Corteva medical plan even if you do not elect medical coverage in 2024 or you and/or the Company do not contribute to the HSA in 2024;
- You choose a before-tax contribution amount from your paycheck, up to IRS contribution limits, when you open your HSA — and you can start, stop, or change the amount at any time through Corteva Connection, IRS limits include all contributions made both before- and after-tax (i.e., contributions made by you, your spouse/domestic partner¹, and/or your employer), and any contributions made while employed by other employers during the same tax year.
- Use the money to pay for your current health care expenses, including the deductible and coinsurance, or save it for future health care expenses;
- With the HSA, you can be reimbursed for expenses incurred by your tax-eligible dependents — those who are not yet age 19 (or, if a student, not yet age 24) at the end of the tax year, or permanently and totally disabled;
- Per IRS rules, you cannot submit claims against your HSA for dates of service before the date the HSA was established — the IRS considers the account established once it is fully opened and the first funding is applied;
- The balance of the account rolls over from year to year, even if you change plans or leave Corteva (Corteva’s contributions stop when you leave the Company or retire);
- If you change plans or leave Corteva, any investment allocations will not change and you will begin to pay the monthly account management fee;
- After age 65 you can use the funds for health care expenses, including Medicare premiums, and other expenses (subject to taxes; other requirements may apply); and
- If you enroll in the Core or Premium Saver medical plan during the year, or are age 65 or older, you will need to attest to your HSA eligibility on Corteva Connection to receive the Company contribution.

¹ Assuming your domestic partner qualifies as a tax dependent.
# How the Core or Premium Saver Medical Plan and the HSA Work Together

## Medical Plan (Core and Premium Saver Options)

### Receiving in-network preventive care?
**You pay nothing.**

*Anytime you receive in-network preventive care, the plan pays 100%.1*

- Annual physicals
- Immunizations
- Preventive medications

### Haven’t met your deductible? You pay 100%.

*When you receive non-preventive care or prescriptions, you pay 100% until you reach the deductible. There are separate deductibles for in- and out-of-network services.*

### Met your deductible? You and the plan share the cost.

*When you receive non-preventive care or prescriptions after you’ve met your deductible:*  

The plan pays most of the cost: 80% in-network, 60% out-of-network, varying amounts for prescription drugs.

You pay coinsurance: 20% in-network, 40% out-of-network; varying amounts for prescription drugs.

### Reached your out-of-pocket maximum? The plan pays 100% of the eligible costs for the rest of the plan year.2

*The out-of-pocket maximum is there to protect you from the catastrophic costs of a serious health issue.*

---

## Health Savings Account (HSA)

You can pay these expenses with your HSA money (if eligible).

You also may pay with your personal funds and choose to continue building savings in your HSA.

In 2024, your HSA money can include...

**Company contributions:**

- $600 (you only)/$1,200 (you + others)

+ **Your contributions:**

- $3,550 (you only)/$7,100 (you + others) 3

  + $1,000 extra if age 55 or older

  + any other savings accumulated from previous years

---

1. Out-of-network services/expenses are subject to reasonable and customary (R&C) limits.
2. The out-of-pocket maximum does not apply to infertility services. There is an infertility lifetime maximum benefits per family (males and females) of $15,000 for medical and $10,000 for prescription drugs.
3. Includes any contributions made by your spouse/domestic partner (assuming your domestic partner qualifies as a tax dependent).
Flexible Spending Accounts (FSAs)

Limited Purpose Health Care FSA

Your Limited Purpose Health Care Flexible Spending Account can be used to pay for dental and vision expenses only (your Health Savings Account (HSA) can be used for medical expenses until you reach your medical deductible). Each Corteva employee may make a minimum contribution from your paycheck on a before-tax basis from $120 per year up to a maximum contribution of $3,050 for 2024 (regardless of marital status).

Because of the FSA “use it or lose it” rule, consider contributing the maximum amount to the HSA prior to contributing to the Limited Purpose Health Care FSA. Unused HSA money rolls over to the next year for future expenses. Leftover money in your Limited Purpose Health Care FSA at the end of the year is forfeited.

If both you and your spouse contribute to the Limited Purpose Health Care FSA, you can only be reimbursed once for any eligible expense.

Note: You have until April 15, 2024 to submit claims for eligible expenses incurred during the 2023 plan year.

Eligible Limited Purpose Health Care FSA expenses include:
• Non-cosmetic dental care, orthodontia, prescription eyeglasses, contact lenses, and laser eye surgery;
• Copays, coinsurance, and deductibles under dental and vision plans; and
• Medical expenses (once you reach your medical plan deductible).

Dependent Care FSA

With a Dependent Care FSA, you can set aside tax-free money to pay for day care for your child who is under the age of 13 or for a spouse/domestic partner or dependent age 13 or over who is not able to take care of him/herself. The day care expenses must be necessary for you to work. If you are married, the expenses must also be necessary for your spouse to either work or attend school full-time.

Based on Your Tax Status... | You Can Set Aside...
--- | ---
If single or married filing jointly | Up to $5,000
If married filing jointly and your spouse’s employer offers a dependent care account | Up to $5,000 in total between the two accounts
If your spouse earns less than $5,000 per year | Up to the amount of your spouse’s earned income (special income limits may apply if your spouse is a full-time student or unable to care for self)
If married filing separate returns | Up to $2,500

If you are considered a highly compensated employee, your contributions to this account may be limited.

Two accounts, but which one do I use?

When you have an HSA and a Limited Purpose Health Care FSA and use your Bank of America debit card to pay for eligible expenses, those that can be reimbursed under the Limited Purpose Health Care FSA will automatically be deducted from that account.

If you prefer to pay for qualified dental and vision expenses using your HSA, you can pay out-of-pocket for the services and reimburse yourself using the Bank of America website. Or, have a check sent directly to the provider from your Bank of America HSA.

Domestic partner must be a dependent

You cannot claim health care or dependent care expenses for a domestic partner or a domestic partner’s child(ren) unless they are considered by the IRS to be your dependents.
Wellness

Próspera at a Glance

At Corteva Agriscience, we are working together to build the strongest workplace that puts YOU at the heart of everything we do! That’s why we’ve created Próspera, our global wellness program, available to all Corteva employees around the world. The goal of the program is to challenge you, educate you, inspire you, and motivate you to thrive in both your personal and professional life.

Why Join Próspera?

- Engage with employees around the world on the journey to improved health and wellness for you and your family.
- Enjoy a simple, interactive environment to keep track of your healthy habits with your fitness tracker. For additional information on a Max Buzz fitness tracker, visit One Corteva. U.S. employees can earn points for Premium Credit or Pulse Cash.
- Get immersed in an environment where you are encouraged to succeed, regardless of your preferred activity, location, or level of fitness.
- Share your successes throughout the year — your milestones and achievements can inspire other employees, family members, and friends.

Who Is Eligible?

All employees around the world can participate in Próspera to achieve a greater well-being. Note that only regular and fixed-term Corteva employees are eligible for the Próspera tool. Limited-Service Employees (LSEs), contractors, and contingent staff are not eligible for the Próspera program.

How to Get Started

Access the site at www.wellness.corteva.com (U.S.) and www.wellnessint.corteva.com (outside U.S.). Follow the prompts on the screen to create an account with Virgin Pulse.

Set up your Max Buzz fitness tracker or your favorite fitness device and connect your device to your account. You can also track steps manually on the Virgin Pulse app or website.

Set your interests, complete your Health Check Survey to get your heart age, and add co–workers, friends, and family so you can encourage and motivate one another through wellness activities.

Sign up for company–wide or personal wellness challenges and healthy habit activities. (U.S. employees can earn points for Premium Credit or Pulse Cash.)
Earning Incentives

It’s easy to earn rewards and your Premium Credit by making healthy choices. The more activities you complete, the more points you’ll earn. You can earn $40 in Pulse Cash each quarter and $100 in Premium Credit in the first three quarters of the year by achieving Level 3 points. You must complete the Health Check Survey by September 30 of each calendar year to qualify for Premium Credits.

How to earn points for Premium Credit and Pulse Cash (U.S. only)

Complete activities each quarter to earn points for rewards. Your point total will reset each quarter.

You can earn points for daily activities and receive rewards in the form of Pulse Cash, which can be redeemed toward items or gift cards in the Virgin Pulse Store. If you’re enrolled in a Corteva medical plan option, you can also earn points toward your Premium Credit.

What you can earn each quarter:

1. 2024 New Hires: You can apply this one-time subsidy toward the Virgin Pulse Max Buzz or other device.

New This Program Year

1. Earn points for participating in wellness activities in your community outside of the Virgin Pulse platform. Complete the form on the Próspera rewards page to share your participation details and you will earn rewards.

2. Keep track of your wellness visits and earn points in the My Care Checklist. Use it to stay on top of appointments, tests, and shots.

3. Take advantage of the updated Media library...you will now earn points for viewing!

How to Use Pulse Cash

For more information on ways to earn and use your Pulse Cash, see the Próspera Global Wellness Program page on cortevabenefits.com.

Access Próspera on the Go!

Download the Virgin Pulse mobile app from the App Store or Google Play.
Dental Plan

You have the choice between two dental plan options administered by Delta Dental. When you use benefits providers in the Delta Dental PPO Network, you can limit your out-of-pocket costs.

</tbody>
</table>

¹. For out-of-network claims, reasonable and customary (R&C) limits apply. R&C amounts are based on the 90th percentile, which means that 90% of providers in a geographic area charge no more than the R&C amount and 10% charge more.

². The benefit for the Delta Dental PPO network dentist is determined by the network-negotiated amount. For out-of-network providers, R&C limits apply, where R&C amounts are based on the 90th percentile. Additional frequency limits may apply to certain covered services.

³. The lifetime orthodontic limit is a combined maximum for both options.

* Plan allows member to receive either contacts and frame, or frame and lens services.
Corteva Extras

You will have access to additional discounts to help keep money in your pocket. Supercharge your vision benefits by taking advantage of these additional discounts on eyemed.com:

- 40% off hearing exams and a low-price guarantee on leading brands of hearing aids.
- Lost or broken glasses replacements when traveling.
- 20% off non-prescription sunglasses.
- Up to $800 off at LASIKPlus Vision Centers.
- And much more!

If you enroll, you will receive ID cards and a Welcome Packet from EyeMed

You are not required to have an ID card to receive services. Since EyeMed benefits are convenient, just provide your name and date of birth, and in-network providers can confirm eligibility.

Real Life Can Be Hard — But You’re Not Alone

LifeMatters is a confidential counseling service, available to speak with you live 24/7/365.

You and your dependents are eligible for:

- 12 free counseling sessions for each separate issue; and
- Concierge appointment scheduling service when you need to speak to a counselor face-to-face.

LifeMatters can help with:

- **Relationships**: How to get along with your significant other, co-workers, children, and more.
- **Well-being**: How to start an exercise routine, nutrition, quitting smoking.
- **Emotional distress/stress**: Feeling sad or worried, learning relaxation techniques, scheduling.
- **Legal matters**: Assistance with connecting with a lawyer, how to handle custody disputes, power of attorney.
- **Substance use**: Wondering about excessive alcohol use and/or substance abuse for yourself and/or other family members?
- **Finances**: Help with handling debt, saving to buy a house, or college expenses.
- **Child/Elder Care**: Help in finding child care and/or elder care, adoption services.
- **Convenience Services**: Help in finding fitness and wellness classes nearby, contractors for home projects, housing options.
- **And much more!**

Family Support Benefits

At Corteva, we support all families, and understand that every family is unique. That’s why we’re offering two new benefit programs to help you form, find care for, and support your family, beginning January 1, 2024.

Caregiving Support Benefits

We’re making it a little easier to care for the ones you love. With Care.com, you’ll have the extra support you need to find care for children, adults, pets, housekeeping, tutors, and more with:

- **Care Membership:** Easily search and sift through care profiles to instantly book a caregiver online or through the app for your unique needs. All caregivers that interact with families have been cleared through CareCheck, so rest assured your loved ones are in good hands.

- **Care Specialists:** Connect with experienced Care Specialists for 24/7 guidance to help you find solutions to daily challenges or major decisions. You’ll have 1:1 access to personalized support to help you navigate child and senior care, and everything in between.

- **Backup Care:** Find background-checked, subsidized child and adult care when your ongoing care is unavailable. With flexible care options for in-home or in-center care, you can use backup care when a school or daycare is closed, your regular caregiver is unavailable, or if you have upcoming work travel. **Corteva will provide employees up to 10 subsidized backup care days per year** (in-home backup copay: $4/hour; in-center backup copay: $15/day).

For more information, enroll or login to care.com/yourbenefits.

Global Family Formation Benefits

We’ve partnered with Carrot to offer inclusive fertility, family-formation, and hormonal health benefits. Every family is unique — and Carrot’s programs and resources can provide you with the support you need. Connect with Carrot’s diverse network of medical experts and specialists to navigate:

- Understanding fertility health with fertility testing and ovulation tracking
- Preservation of eggs and sperm, or embryo freezing
- Assisted reproduction, including in vitro fertilization
- Adoption, gestational surrogacy, and donor assistance
- Pregnancy and postpartum, with funds for doula support and milk shipping
- Perimenopause, menopause, and low testosterone (low T)

All benefits eligible global employees and their spouses/domestic partners will be eligible to use Carrot’s resources and providers, including a $25,000 benefit (converted globally into comparable amounts) to cover eligible expenses. Create your account at app.get-carrot.com.
Life Insurance

Corteva automatically provides you with basic life insurance coverage equal to 1x your annual pay. You don’t pay anything for this coverage, and you don’t have to enroll to receive it. (Company-paid coverage over $50,000 is subject to imputed income taxes.) When you enroll in your benefits, you may choose to do the following:

Purchase more coverage: You can buy additional life insurance coverage for yourself on an after-tax basis (subject to evidence of insurability) of 1x to 9x your annual pay, to a maximum of $7 million; or

Reduce your coverage: You can elect coverage equal to $10,000 or $50,000 and receive employee life insurance (ELI) cash (also referred to as ELI credit) in your paycheck.

Spouse/Domestic Partner Life Insurance

You can choose from these life insurance coverage amounts for your spouse/domestic partner (evidence of insurability, or health information, may be required):

<table>
<thead>
<tr>
<th>Coverage For</th>
<th>Option A</th>
<th>Option B</th>
<th>Option C</th>
<th>Option D</th>
</tr>
</thead>
<tbody>
<tr>
<td>$10,000</td>
<td>$25,000</td>
<td>$50,000</td>
<td>$100,000</td>

</tr>
<tr>
<td>$200,000</td>
<td>$250,000</td>
<td>$300,000</td>
<td>$350,000</td>
<td>$400,000</td>
</tr>
</tbody>
</table>

Child Life Insurance

You can elect dependent life insurance for your eligible children (including your domestic partner’s eligible children) in these amounts: $5,000, $10,000, or $20,000 per child. The coverage amount you select covers each of your eligible children for that amount — regardless of the number of children you have.

There is no waiting period for newborn life insurance. Your newborn child will be automatically covered for $5,000 for the first 31 days following live birth. Additionally, dual Corteva couples may both cover children up to a maximum of $40,000 (up to $20,000 of coverage per child is available to each employee).

Accidental Death Insurance

Corteva helps you protect yourself and your family from the financial hardships a serious accident can cause. You automatically have Company-paid Accidental Death Insurance coverage equal to 1x your annual pay. This coverage is in addition to your Employee Life Insurance benefit and pays a benefit to your beneficiaries if you die in an accident. Also, if you are permanently injured in an accident, a percentage is paid for specific losses, such as a limb or eyesight.

If you purchase additional Accidental Death Insurance for yourself, you can also purchase coverage for your spouse/domestic partner and/or eligible children:

Not sure how much coverage you need?
Visit Securian Financial’s life insurance estimating calculator tool at www.lifebenefits.com/corteva. No User ID or password is required.

Name your beneficiary
It is important to choose a beneficiary to receive your life insurance benefits if you die. You can name or change your beneficiary at any time on Corteva Connection.

For your domestic partner or child of a domestic partner to qualify as your beneficiary, he/she must be specifically designated as a life insurance beneficiary by you.

Default payment rules do not apply to domestic partners or children of domestic partners.

If you have any questions about your beneficiary information or making a beneficiary designation, call Corteva Connection at 1-800-775-5955.
Voluntary Benefits

More Ways to Protect Your Financial Health

For more information, including when you can enroll (during Annual enrollment, when you’re first eligible for coverage, or throughout the year), visit cortevabenefits.com.

Critical Illness Insurance

This insurance through MetLife pays a lump-sum benefit if you or a covered family member suffers a covered condition, which include disease such as cancer and health events such as heart attack and stroke. If you have a subsequent verified diagnosis, you may be paid a recurrence benefit. It also rewards you for investing in your health by paying you $75 per calendar year when you complete an eligible health screening or other preventive health measure, such as a cholesterol test or colonoscopy. You can cover yourself ($15,000 or $30,000), as well as your spouse/domestic partner and eligible dependent children.

Accident Insurance

This insurance through MetLife pays a lump-sum benefit if you or a covered family member is injured as a result of an accident. It supplements medical and disability insurance, giving you an added layer of protection. Both plans pay you a lump sum for a covered event or health care service. You’ll pay more for the High Plan, but it pays a larger lump sum if you have a covered event or service.

Hospital Indemnity Insurance

This insurance through MetLife pays a lump-sum benefit if you or a covered family member is admitted to the hospital. (This doesn’t include an emergency room visit unless you’re admitted.) The Standard Plan pays you — not your hospital or health care provider — $1,000 if you’re admitted to the hospital, and the High Plan pays $2,000 per admission. Both cover up to four admissions per calendar year. They also pay if you’re confined to the ICU, an inpatient rehab unit, or for a newborn in a hospital nursery.

Legal Services

Enrolling in MetLife Legal Plans is a simple and affordable way to plan and save money on common personal legal issues, such as home and real estate needs, estate planning, creating wills and powers of attorney, and family matters (e.g., adoption, custody, prenuptial, and divorce). There are no deductibles, copays, or claim forms when you use a network attorney. Find an experienced attorney and make an appointment easily with the member.legalplans.com website.

Home & Auto Insurance

This insurance covers homes, vehicles, water toys, and personal property. You can receive multiple quotes from America’s top insurance companies, then compare your current premiums with side-by-side prices and determine the best value.

Pet Insurance

This insurance through Nationwide® provides coverage for dogs, cats, birds, reptiles, and other exotic pets. Available in two reimbursement options (50% and 70%), all plans have a $250 annual deductible and $7,500 annual benefit. Use any vet, anywhere, including specialists and emergency care providers. You’ll also have 24/7 access to vethelpline® for help with any pet health concern, including identifying urgent care needs.

Identity Theft Protection

Identity theft protection and device security provide additional layers of protection to help keep your personal information safe from identity and credit theft. Feel peace of mind with continuous monitoring, protection from ongoing activities and restoration in case you are a victim of identity theft — all with the support of a dedicated case manager.

Group Universal Life Insurance with Long Term Care

This permanent life insurance through Transamerica complements term life insurance, builds cash value in case of an emergency, if needed, and is fully portable. You can cover yourself ($50,000 or $100,000) with no health questions asked, meaning coverage is guaranteed, and premiums won’t increase as you age. The policy includes a chronic condition benefit to help pay for expenses, including facility care, home nursing care or care provided by family and friends.

1. The health screening benefit is not available in certain states. Please review your Disclosure Statement or Outline of Coverage/Disclosure Document available from MetLife for specific state variations and exclusions around this benefit.
Retirement Savings Plan (RSP)

(Does not apply to Puerto Rico employees. See the Benefits Spotlight to learn about the Puerto Rico Savings and Investment Plan (SIP).)

Corteva offers a generous, competitive benefits package designed to help employees achieve fitness in all aspects of their lives — including their financial health. That’s why we are pleased to offer the Retirement Savings Plan (RSP), a 401(k) savings plan. The RSP is Corteva’s primary retirement income plan and a great way to help you prepare for your future.

Enrolling in the Plan

You can enroll in the RSP anytime after you become eligible (typically, your date of hire). You’ll receive an enrollment package from Merrill once you become eligible.

We encourage you to enroll as soon as possible and start planning for a financially secure retirement. To enroll, visit Merrill’s Benefits OnLine® at www.benefits.ml.com or call 1-844-540-0164.

However, as a newly hired employee if you take no action to enroll in or opt out of the RSP, you will automatically be enrolled in the plan after 60 days of employment, as follows:

- 6% of your eligible pay will be deducted from each paycheck on a pre-tax basis and contributed to the RSP.
- Your contribution rate will automatically increase 1% each year, up to a maximum of 15% of your eligible pay, subject to IRS limits.
- You will receive a 100% Company match on your contributions, up to 6% of your eligible pay. Your personal contributions and Company match are vested at 100% as of your eligibility date in the plan.
- You will be automatically enrolled in the PersonalManager® feature of Advice Access, and your contributions will be invested according to Advice Access recommendations.

Name your beneficiary

It is important to choose a beneficiary to receive your RSP account balance if you die. If you are legally married, your primary beneficiary must be your legal spouse unless you get notarized, consented agreement from your spouse waiving his/her right.

You can name or change your beneficiary at any time on Benefits OnLine at www.benefits.ml.com. Select the Retirement Savings Plan > Summary > Current Beneficiary Designations/Updates. You will need your beneficiary’s name, Social Security number, date of birth, relationship to you and address when you make the designation.

If you have any questions, call Merrill at 1-844-540-0164.
Choosing Your Savings and Investment Strategy

After you are enrolled in the RSP — either on your own or automatically — you can make changes or cancel your participation at any time. Simply contact Merrill.

If you were enrolled in the RSP automatically and want to keep your assigned contribution rate and investments, you do not need to take any action.

Choose your contribution rate

You can contribute up to 90% of your eligible pay, up to IRS limits. Try to contribute as much as you can — or at least 6% of your eligible pay so you get the full Company match.

Choose your contribution type

<table>
<thead>
<tr>
<th>Contribution Type</th>
<th>How It Works</th>
<th>Potential Considerations</th>
</tr>
</thead>
<tbody>
<tr>
<td>401(k) pre-tax</td>
<td>Reduces your current taxable income. Any earnings are tax-deferred, but distributions are fully taxable as ordinary income at the time of distribution.1</td>
<td>If you think your taxes in retirement will be lower, you could benefit by deferring taxes with pre-tax contributions.</td>
</tr>
<tr>
<td>Roth 401(k)</td>
<td>Contributions are made after taxes are withheld. Unlike traditional after-tax contributions, however, any potential earnings on Roth 401(k) contributions are generally tax-free if you take a qualified distribution.2</td>
<td>If you think your taxes at retirement will be higher, you may benefit from paying taxes now at a lower rate with Roth 401(k) contributions.</td>
</tr>
<tr>
<td>Traditional after-tax</td>
<td>Contributions are made after taxes are withheld, but taxes are deferred on any investment earnings. Taxes on earnings are due upon withdrawal.1</td>
<td>If your pre-tax and/or Roth 401(k) contributions reach the IRS limit, traditional after-tax contributions let you contribute more to the plan (subject to overall limits).</td>
</tr>
</tbody>
</table>

Make your investment choices

The RSP offers a broad selection of investment options. It also features an advice and guidance program with personalized recommendations, called Advice Access. For more information, visit Merrill’s Benefits OnLine at www.benefits.ml.com or call 1-844-540-0164. Representatives are available Monday through Friday, 7:00 a.m. to 8:00 p.m., ET, on days the New York Stock Exchange is open.

1. You may also be subject to a 10% additional federal tax if you take a withdrawal prior to age 59½.
2. A qualified withdrawal or distribution is one that is taken at least five tax years after the year of your first Roth 401(k) contribution and after you have attained age 59½ (or upon disability or death). If you take a nonqualified withdrawal from your Roth 401(k) account, any associated earnings are subject to regular income taxes, and you may be subject to a 10% additional federal tax if you withdraw such earnings before age 59½ unless an exception applies. State income tax laws vary; consult a tax professional to determine how your state treats Roth 401(k) distributions.

Merrill Lynch, Pierce, Fenner & Smith Incorporated (also referred to as “MLPF&S” or “Merrill”) provides products and services to various employers, their employees, and other individuals. In connection with providing these products and services, and at the request of the employer, Merrill makes available websites on the Internet, mobile device applications, and written brochures in order to provide you with information regarding your plan. Under no circumstances should these websites, applications, and brochures, or any information included in these websites, applications, and brochures, be considered an offer to sell or a solicitation to buy any securities, products, or services from Merrill or any person or entity.

Benefits OnLine and PersonalManager are registered trademarks of Bank of America Corporation.
Employee Stock Purchase Plan (ESPP)

The Employee Stock Purchase Plan allows eligible Corteva employees to purchase company stock at a discounted price during certain Offering Periods. The ESPP encourages an owner’s mindset as we make decisions and perform work that impacts company performance and supports the interests of our customers, stakeholders, and shareholders.

How the Plan Works

- You can contribute from 1% to 15% of your eligible pay, which will be deducted from your paycheck on a post-tax basis.
- You will receive a 15% discount on the Corteva, Inc. common stock shares purchased.
- You can contribute up to $12,500 USD per Offering Period, and up to $25,000 USD annually.
- You must hold your purchased shares for one year prior to selling your stock.
- You will continue to be enrolled in ESPP unless you opt-out. The cutoff to opt-out in the current Offering Period is the last business day of the month prior to the purchase date. If you opt-out of the ESPP during the Offering Period, and then choose to participate again in a subsequent Offering Period, you will need to re-enroll.

Eligibility and Enrolling in the Plan

You can enroll in the ESPP during any Offering Period after you become eligible, generally held January 1 and July 1 of each year. To be considered eligible, you must be a full-time or part-time, regular status employee who has been employed for 90 days prior to the offering period commencing.

To enroll, visit Merrill’s Benefits OnLine at www.benefits.ml.com or call 1-844-540-0164.

Participation in the ESPP is voluntary. Corteva is not making any recommendation to its employees with respect to the purchase of its stock and participation in this ESPP. Both the opportunities and potential risks of the ESPP should be carefully considered, just as you would before investing in any other security.

Name your beneficiary

You can name or change your beneficiary at any time on Benefits OnLine at www.benefits.ml.com. Select the Employee Stock Purchase Plan > Beneficiary > Beneficiary Designations/Updates.

You will need to enter your beneficiary’s name and relationship to complete the designation.

If you have any questions, call Merrill at 1-844-540-0164.
Time Away From Work Benefits

At Corteva, we know time is precious. We care about your overall well-being and recognize the need to recharge away from work.

Holidays

You will receive the following paid holidays for 2024.

<table>
<thead>
<tr>
<th>Day</th>
<th>Date</th>
<th>Holiday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday</td>
<td>January 1</td>
<td>New Year’s Day</td>
</tr>

</tr>
<tr>
<td>Wednesday</td>
<td>December 25</td>
<td>Christmas Day</td>
</tr>
</tbody>
</table>

1. Puerto Rico does not observe Martin Luther King Jr. Day or the Day after Thanksgiving, but instead observes Three Kings Day (January 5 observed) and Good Friday (March 29).
2. Expatriates on an international assignment follow the holiday schedule of their host country. Check with your manager or HR Department for details.

Well-Being Leave

Well-Being Leave provides 80 hours each year to you (prorated for new hires) to manage your and your family’s health — such as for your own personal illness, caring for a family member, or handling a medical emergency. For a detailed description of Corteva’s Well-Being Leave policy, go to cortevabenefits.com and select “Time Away” and then select “Well-Being Leave”.

You can use this time in increments of 15 minutes. All 80 hours will be available to you at the start of the new year. Your People Leader must approve your time away.

Choice Time

Choice Time provides paid time away from work you can use in any way you choose. It is administered on a calendar-year basis. The number of weeks of Choice Time you earn is based on the years of service.

Choice Time is measured in hours. One week of Choice Time equals 40 hours. Following your date of hire, you accrue Choice Time on the first day of each month. Choice Time cannot be carried over into the next year unless you live in a state that requires it.

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Number of Weeks of Choice Time per Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 - 4</td>
<td>4</td>
</tr>
<tr>
<td>5 - 9</td>
<td>5</td>
</tr>
<tr>
<td>10 and Higher</td>
<td>6</td>
</tr>
</tbody>
</table>

1. Assumes a 40-hour work schedule; regular employees working part-time or a reduced schedule will receive a prorated number of Choice Time hours.

For more information about Choice Time, how it works, and other important details, refer to the My Time Off Guide on cortevabenefits.com.
Global Parental Leave

For many, the birth or adoption of a child is one of life’s most precious milestones. We are proud to provide our colleagues with additional time away from work during this special time in their lives.

All new parents globally, birthing and non-birthing, are eligible for a minimum of 16 weeks of paid leave to care for and bond with their newborn or newly adopted child. This time can be used in 15-minute increments. Proof of birth is required, and can be verified with a document from the hospital (showing the child’s name, date of birth and employee’s name) or the child’s birth certificate. If applicable, the amount of your Parental Leave benefit will also be offset by any additional state disability benefits you are eligible to receive.

You must call the Disability and Leave Center at 1-855-286-7599 to report this leave.

For a detailed description of Corteva’s Global Parental Leave policy, go to cortevabenefits.com and select “Time Away” and then select “Global Parental Leave”.

Short-Term Disability (STD)

We know there may be times when you cannot work due to illness or injury. Our STD program covers sick time and will provide:

• 100% of regular pay during weeks one through eight (includes seven-day waiting period); and
• 70% of regular pay during weeks 9 through 26.

You must call the Disability and Leave Center at 1-855-286-7599 to file your claim for STD as soon in advance as possible of knowing you will be out for more than one week.

A seven-day waiting period will apply each time there is a new STD claim (except for maternity leave). The seven-day waiting period is the time in which your claim will be reviewed, and approval will likely require that you provide medical documentation. Sedgwick will guide you throughout this process. You can use your available Well-Being Leave to continue your pay during the seven-day waiting period.

Once your claim is approved, your STD will begin paying benefits and will be retroactive to the eighth day of your STD claim. If applicable, the amount of your STD benefit will also be offset by any additional state disability benefits you are eligible to receive. You are required to provide medical information for all STD claims except maternity claims. Medical information must be received and claim must be approved by Sedgwick within the first seven days of your claim for your pay to continue.

Additional Benefits

• Military Duty Leave
• Global Volunteer Leave Policy
• Jury Duty
• Bereavement Leave
• Survivor Support Program
• Learning and Development Programs
• Tuition Reimbursement
• Backup Care for Business Travel
Short-Term Disability (STD) (cont.)

Your health benefits will not change and will continue as they are before you went out on leave. If your leave is unpaid, you will be invoiced each month for your benefits premiums until you return. These invoices must be paid each month so there is no interruption in coverage.

For a detailed description of Corteva’s Short-Term Disability policy, go to cortevabenefits.com and select “Time Away” and then select “Short-Term Disability”.

Long-Term Disability (LTD)

When your disability is more than a temporary condition, leaving you unable to work for more than 26 weeks, the Corteva LTD Plan can provide you with a steady income. If eligible, the plan will replace 60% of your base pay, up to a maximum of $15,000 per month, when combined with Social Security and other available sources of income.

If you apply for LTD and are approved, your employment with Corteva will terminate effective the date of your LTD approval. You can reach out to your provider, The Hartford, at 1-888-760-1280.

For a detailed description of Corteva’s Long-Term Disability policy, go to cortevabenefits.com and select “Time Away” and then select “Long-Term Disability”.
