

Sarasota, FL named top Florida market on U.S. News' list of top places to live in Florida and 14th in the nation!

The U.S. News and World Report study of the 100 most populous cities aimed to find the areas with the best value, job market, living conditions and quality of life. Florida as a whole performed well, with six of its metropolitan areas showing in the top 50-- with Sarasota ranking the highest in the #14 spot! No other state was so well represented. Come see for yourself why our location is the most desirable in the Sunshine State!
