Answer questions 14 through 17 solely on the basis of the following passage.

Police Officers Bret Clemens and Sam Harte are dispatched to 83-67 Richardson Boulevard, Apt. 23F, at 8:53 P.M., on November 18, 2016, in response to a burglary reported by a Mr. Kegler. They arrive at the apartment at 8:58 P.M., ring the doorbell and are greeted by Mr. and Mrs. Kegler. Mr. Kegler tells the officers that he left for his foreman's job at the telephone company at 7:00 A.M. and that his wife left for her secretary's job 10 minutes later. After work, Mr. Kegler picked up his wife and they returned to their apartment at 8:40 P.M., having eaten dinner out. When Mrs. Kegler entered the bedroom, she noticed her jewelry box on the floor. She told her husband, who then called the police. While the Keglers waited for the police to arrive, they discovered that all of Mrs. Kegler's jewelry and Mr. Kegler's coin collection, as well as approximately \$175.00 in cash, were missing.

While Officer Harte begins to fill out a crime report, Officer Clemens goes to other apartments on the same floor to interview neighbors who might have additional information about the burglary.

Mrs. Johnston, age 35, who lives in Apt. 23C located directly opposite the elevator, tells Officer Clemens that she heard voices in the hallway outside her apartment door at 4:30 P.M. She thought that the voices were those of a neighbor's children who sometimes play in the hallway. She opened her door to chase them away but, instead, saw two strange males standing by the elevator. They wore green work clothes. She noticed that the taller man was white, about 28 years old, 5'11", 165 lbs., with brown hair and was carrying a square leather case. The other man was Hispanic, about 21 years old, 5'7", 150 lbs., with black hair and a scar on the left side of his face.

Officer Clemens then contacts other residents at apartment 23D, 23E, and 23G. All of them tell the officer that they did not see or hear anything unusual. Officer Clemens then returns to the Keglers' apartment to tell his partner what he learned. In the meantime, Officer Harte had been told by Mr. Kegler that his coin collection was in a square brown leather carrying case.

Officer Harte was also told that Mr. Kegler is 42 years old. His telephone number at work is (718) 827-6138 and his work address is 273 Eastern Avenue. Mrs. Kegler's telephone number at work is (718) 746-3279 and her work address is 131 South Moore Street. The Kegler's home telephone number is (718) 653-3946. Mrs. Johnston's telephone number at home is (718) 653-2714.

Officers Harte and Clemens finish their investigation and complete the crime report.
