

CAREER MOBILITY PROGRAM

GROW YOUR ANALYTICAL SKILLS

Are you in the Atlanta area looking to grow your career and analytical skills? This fall, you can be part of a special edition of our Career Mobility Program (CMP) focused on growing your data analysis skills. In addition to analysis experience, hourly field associates will also gain corporate exposure, build your professional network, and participate in skills development programming.

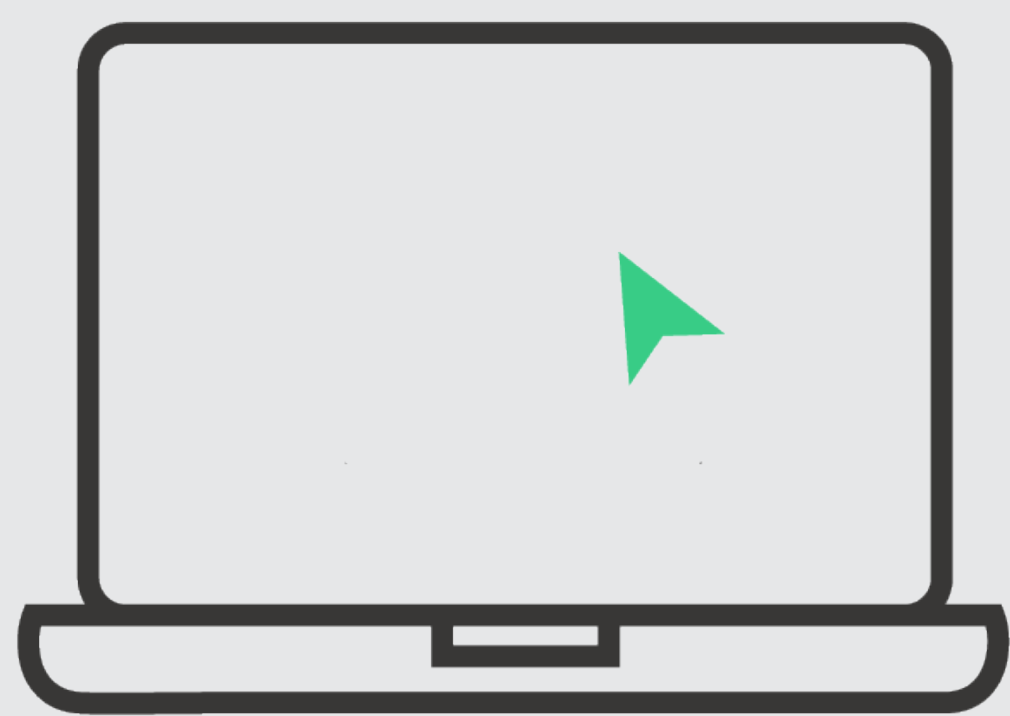

This program is designed for current associates who already have some Excel and data storytelling technical abilities and want to grow those skills to be ready for an entry-level Analyst role at the Store Support Center (SSC). This 10-week program is hybrid, so selected associates will work some days from the SSC and some days remotely from home.

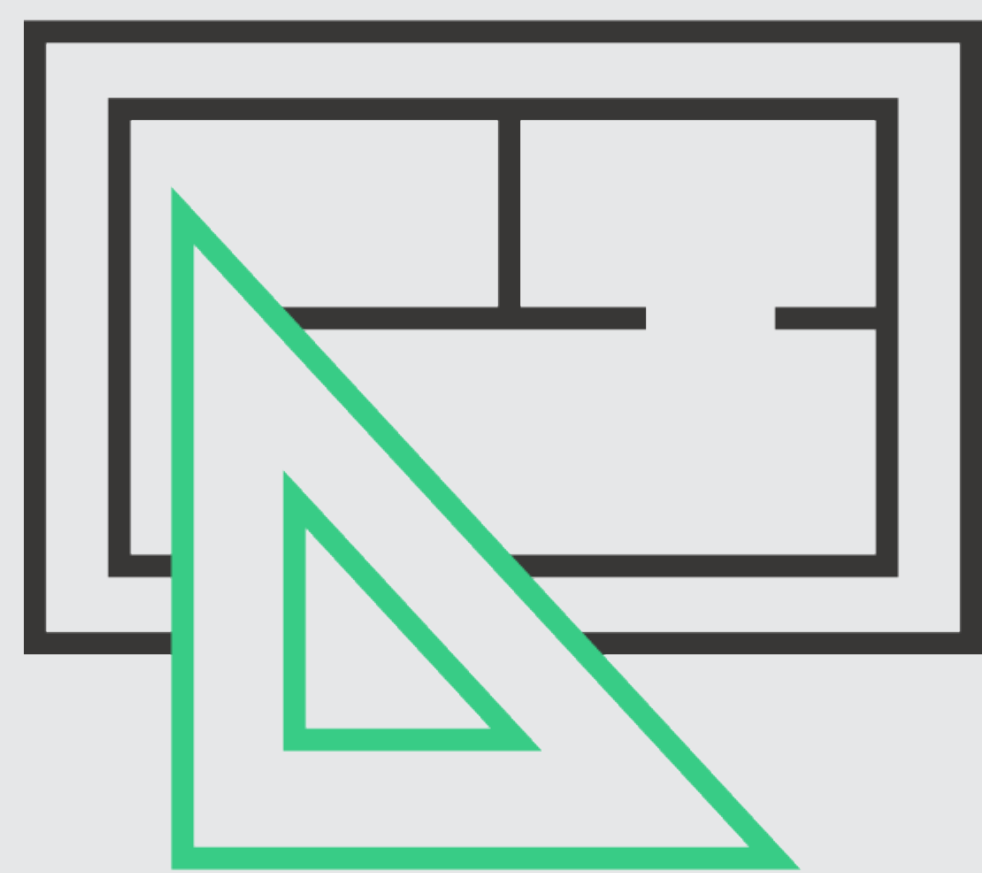

CMP Analytical Track (Hybrid)

Program Overview

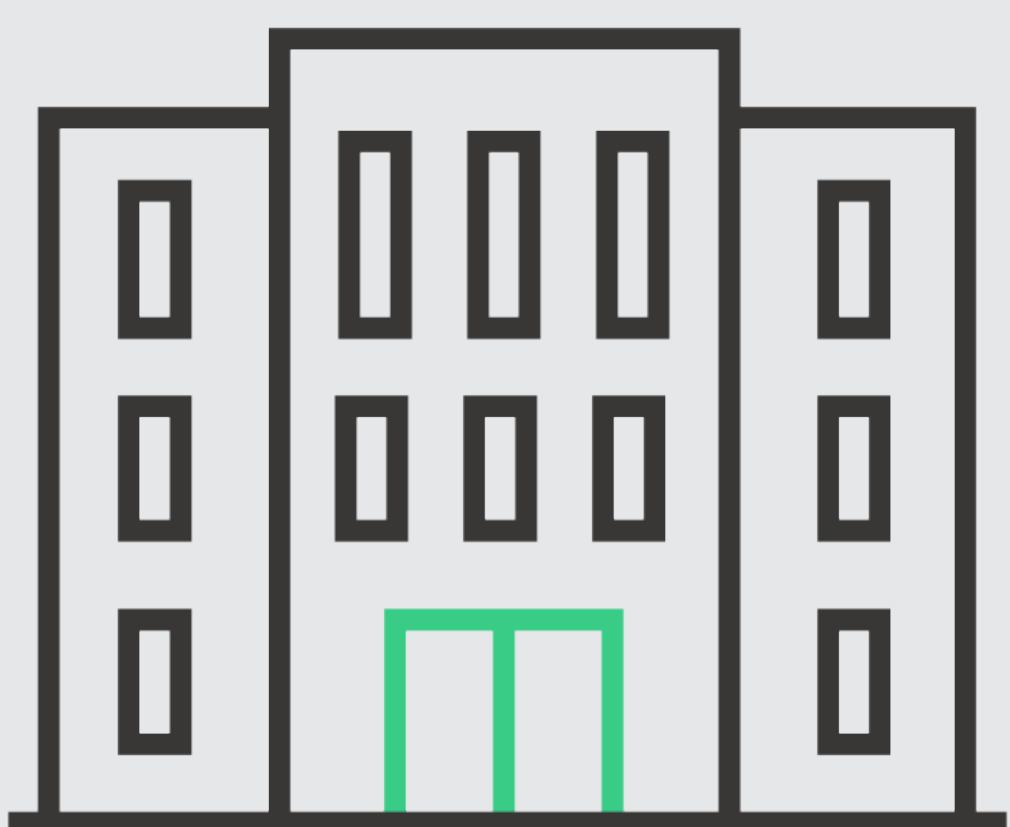

September 8 - November 14, 2025

Paid 10-week program

Grow your skill sets

Gain corporate/SSC exposure

Expand your network

Eligibility and Process

- Bachelor's degree required
- In good standing and employed with The Home Depot for 18+ months by start of the program
- Proficiency in Microsoft PowerPoint and Excel are strongly preferred
- Open to all Atlanta-based hourly Store, MET, Supply Chain, Contact Center, Driver/Driver Helper, and Technician Field talent
- Within a 50-mile radius of the SSC (2455 Paces Ferry Rd SE, Atlanta, GA 30339)
- Process includes questionnaire and if eligible, a potential assessment and interview
- Assessment measures competencies including responsibility, teamwork, and willingness to learn

Applications accepted through June 16, 2025
