

Summer Internship Program

We are pleased to announce our 2018 Summer Internship Program for students interested in pursuing careers in health care. This year's program will provide opportunities for student interns to:

- Learn about the regional & national health care landscape
- Understand patient care standards, and policies and practices unique to hospitals and health systems
- Grow professionally and personally through meaningful interactions with industry-leading professionals
- Master tips and shortcuts for persuasive presentations
- Enhance written, visual and spoken communication
- Develop effective project and time management skills

Applicants Must Be:

- In good academic standing with GPA of 3.0 or greater
- Committed to a career in the health care field
- A recent graduate (2018 or \leq 6 months since high school graduation) *or* undergrad student at accredited university
- A documented U.S. citizen or permanent resident with alien registration receipt card (I-551) or equivalent legal document at time of application
