

Corporate Risk & Broking – Graduate Development Program

The CRB Graduate Development Program (GDP) is a 2-year rotational program that provides the opportunity to develop a broad knowledge base, professional skills and a diverse network. Willis Towers Watson is a great place to start your career!

Many of the greatest ideas and discoveries come from a diverse mix of minds, backgrounds and experiences, which is why we are committed to cultivating an inclusive work environment enriched by our people, our clients and the communities in which we work. We create a culture of engagement and respect by demonstrating inclusive behaviors throughout our inclusion networks. We encourage and welcome applications from any degree discipline/ major and all universities/colleges.

If you have an appetite to learn and succeed, an ability to build technical knowledge, with a passion for building and maintaining relationships then get to know opportunity at Willis Towers Watson!

Educational Requirements

- Bachelor's degree (Cumulative GPA of 3.0 or higher (US); 2.1 or higher (UK); or international equivalent)
- All majors/degrees and universities considered

The Requirements

- A premier program supported by senior leadership, designed to identify and develop participants in roles best suited for their unique skillset
- Ongoing learning and development (orientation training program and class training week focused on professional and business specific learning activities) with a dedicated program support team to help you navigate opportunities within the business

- Placement into a permanent role post-program focused on continued career development
- Impressive city center office locations with an agile working environment to allow for flexible working schedules and collaboration across teams globally
- Opportunities to work alongside senior business leaders and support the development and implementation of new strategies and products

Willis Towers Watson is an equal opportunity employer

Willis Towers Watson believes that effectively managing a diverse workforce is vital to our business strategy. We have an obligation to our organization, ourselves and our clients to hire and develop the best people we can find. We will continually review our policies and practices to ensure that all areas of the employment process (including recruiting, hiring, work assignments, compensation, benefits, promotions, transfers, company-sponsored development programs and overall workplace experience) are free from discriminatory practices. We are committed to equal employment opportunities at Willis Towers Watson.
