

2019-2020 PGY2 EM PHARMACY RESIDENTS

Kyle Stupca, PharmD

Hometown: Duluth, MN

Pharmacy School: University of Kansas School of Pharmacy

PGY1: Mercy Hospital, Springfield, MO

Areas of Interest: Emergency medicine, Trauma, Neuro Critical Care

Professional Organizations: KCHP, ASHP, APhA

Research Project: Esmolol, vector change, and dose capped epinephrine for pre-hospital refractory ventricular fibrillation or pulseless ventricular tachycardia

In my spare time I enjoy: Playing with my dog, shopping at Target, rollerblading, taking naps

Braiden Sorgenfrei, PharmD

Hometown: Delafield, WI

Pharmacy School: Campbell University College of Pharmacy and Health Sciences

PGY1: FirstHealth of the Carolinas; Pinehurst, NC

Areas of Interest: Emergency medicine, Toxicology, Infectious Disease, Trauma

Professional Organizations: ASHP, ACCP, APhA

Research Project: Evaluation of fixed-dose 4-factor prothrombin complex concentrate versus weight-based dosing for warfarin-related intracranial hemorrhage

In my spare time I enjoy: Working out, spending time with my wife, and playing with my dog.
