

## RESIDENCY PRECEPTORS

### Eileen Shomo, PharmD, BCCCP

**Title:** Pharmacy Acute Care Manager, PGY2 EM Residency Program  
Director

**Pharmacy School:** University of Florida

**PGY1 Residency Training:** UF Health Jacksonville, Jacksonville, FL

**PGY2 Emergency Medicine:** UF Health Jacksonville, Jacksonville, FL

**First year at SMH:** 2015

**Rotations Offered:** Clinical Administration

Dr. Eileen Shomo received her Doctor of Pharmacy degree from the University of Florida in 2013. She completed a PGY1 Pharmacy Practice Residency and PGY2 Emergency Medicine Residency at UF Health Jacksonville prior to accepting a position as the Emergency Medicine Clinical Specialist at Sarasota Memorial Hospital in July 2015.

During her time at SMH, Dr. Shomo led the transition of the Emergency Medicine Pharmacy Team to 24/7/365 practice coverage, developed and implemented the Pharmacy Code Blue Response Team and an analgo-sedation protocol for post-intubation sedation management in the ED, as well as assisted and supported the development and initiation of the Pharmacy/Toxicology Team. Additionally, Dr. Shomo has obtained Board Certification in Critical Care and transitioned into the role of Pharmacy Acute Care Supervisor and PGY2 EM Residency Program Director.

Dr. Shomo is an active member of many hospital committees including Stroke, Code Blue, Sepsis, and Emergency Management. Her professional interests include anticoagulation reversal, sub-massive/massive pulmonary embolism management, as well as pharmacy practice leadership. In her free time, she enjoys making memories with her family and trying new restaurants.

## Jeremy Lund, PharmD, MS, BCCCP, BCPS

**Title:** Clinical Specialist - Toxicology, PGY2 EM Residency Program Coordinator

**Pharmacy School:** University of Florida

**PGY1 Residency Training:** Lakeland Regional Medical Center, Lakeland, FL

**First year at SMH:** 2014

**Rotations Offered:** Toxicology

Dr. Jeremy Lund received his undergraduate degree from the University of Central Florida and then his Doctor of Pharmacy degree from the University of Florida in 2013. He completed a PGY1 Pharmacy Practice Residency at Lakeland Regional Medical Center before taking a position as an Emergency Medicine Clinical Pharmacist at SMH in 2014. Since then, he has obtained

Board Certification in Pharmacotherapy and Critical Care, and a Master of Science – Pharmacy (Clinical Toxicology) degree from the University of Florida College of Pharmacy.

During his time at SMH, Dr. Lund has worked on numerous quality improvement projects in the ED including and creation of the Pharmacy/Toxicology Team. He has led the Pharmacy Toxicology Team since its inception in November 2016. His professional interests include cardiovascular toxins, novel antidotes, and toxicologistics. He also lectures at the Florida Poison Information Center – Tampa for rotators.

Dr. Lund is an active member of the Florida Society of Health-System Pharmacists, American Society of Health-System Pharmacists, American Academy of Clinical Toxicology, and American College of Medical Toxicology. He currently serves on the FSHP Board of Directors as the House of Delegates Chair (2019 – 2022). In his spare time, he enjoys running, checking out the local food scene, cheering on the UCF Knights (2017 National Champions), and traveling with his wife.

## Jennifer Brughelli, PharmD, BCCCP

**Title:** Clinical Pharmacist – Emergency Medicine

**Pharmacy School:** University of Colorado

**First year at SMH:** 2005

**Rotations Offered:** Service

Dr. Jennifer Brughelli is originally from Denver, Colorado and received her Doctor of Pharmacy degree from University of Colorado Health Sciences Center in 2005. She has worked in retail pharmacy as a pharmacy manager and also has experience in long term care and hospital pharmacy. In her spare time enjoys playing the piano, gardening and spending time with her family.

## Michelle Malatlian, PharmD

**Title:** Clinical Pharmacist – Emergency Medicine

**Pharmacy School:** Samford University

**First year at SMH:** 2004

**Rotations Offered:** Emergency Medicine – Pediatrics/Intermediate Care

Dr. Michelle Malatlian earned her BS Pharm and Doctor of Pharmacy degree at Samford University (now known as McWhorter School of Pharmacy) in Birmingham, Alabama in 1996.

She began her career as a pharmacist at Family Pharmacy in Sarasota where she was born and raised. Beginning her pharmacist in Bradenton, Florida (1996-2004), much of her time was spent between Family Pharmacy and Blake Medical Center, and responsibilities included clinical pharmacy services, chemotherapy, OR pharmacist in charge, and critical care pharmacy practice. In 2004, she took a staff pharmacist position as SMH. Because of her varied background, she was able to fit into the IV room pharmacist role as well as critical pharmacist for the ICU satellite. In 2007, Michelle was asked to initiate clinical pharmacy services in the ED. Working closely with the ASHP mentorship program, Michelle provided research and documentation to hospital administration. Since the approval of two full-time positions in 2007 and initiation of services in August 2008, Michelle has been the anchor of the ED pharmacy team. In 2011, she was trained in the NICU/Pediatric area of the hospital, where she remains a prominent part of their staffing when she is not in the ED.

Michelle is a preceptor for APPE students in the ED for LECOM, University of Florida and Larkin University. In her spare time, Michelle enjoys golf, exercise, scuba diving, boating, traveling with her family, as well as Boy Scout activities with her sons.

## Andre McMahon, PharmD

**Title:** Clinical Pharmacist – Emergency Medicine

**Pharmacy School:** University of Florida

**PGY1 Residency Training:** The Medical Center of Central Georgia, Macon, GA

**First year at SMH:** 2014

Dr. Andre J. McMahon earned his Doctor of Pharmacy degree in 2013 from the University of Florida and completed his PGY1 Pharmacy Practice Residency at Navicent Health (formerly The Medical Center of Central Georgia) in Macon, Georgia. Prior to his current role as an Emergency Medicine Clinical Pharmacist, Andre aided in the establishment of the pharmacist's role within SMH's trauma team.

Andre dedicates his time to research and quality improvement projects and places emphasis on statistics and project design. Notably, he was the lead programmer of the dosing calculator used for the AUC-driven vancomycin protocol. He also serves on the Pharmacy Research Oversight Committee and is focused on improving the quality of student and resident projects.

Andre is an active member of The American College of Clinical Pharmacy, The American Society of Health-System Pharmacists, and The Florida Society of Health-System Pharmacists. He has an interest in data science and is working towards mastery of R. He enjoys fitness, woodworking, golf, landscaping, and spending time with his wife and two children.

**Title:** Clinical Pharmacist – Emergency Medicine/Critical Care

**Pharmacy School:** LECOM Bradenton, FL

**PGY1 Residency Training:** Tampa General Hospital, Tampa, FL

**First year at SMH:** 2019

**Rotations Offered:** Emergency Medicine Overnight Elective

Dr. Danielle Moore earned her Doctor of Pharmacy degree from Lake Erie College of Osteopathic Medicine, School of Pharmacy in 2015. From there she went on and completed a PGY1 at Bayfront Health in St. Petersburg, Florida and earned her Teaching Certification from the University of Florida. During residency Danielle aided in the establishment of emergency medicine clinical pharmacy services at Bayfront Health and ultimately served as an Emergency Medicine clinical pharmacist and PGY-1 residency coordinator prior to joining the team at SMH. Danielle is one of four pharmacists on the inaugural Emergency Medicine/Critical Care overnight pharmacy team here at SMH and offers a unique overnight elective for PGY2 Emergency Medicine residents.

Danielle is an active member of the American Society of Health-System Pharmacists and the Florida Society of Health-System Pharmacists, previously co-coordinating the Emergency Medicine Education Track. She enjoys mentoring pharmacy students and interdisciplinary teaching. In her free time she enjoys spending time with her family and trying new restaurants.

## Nick Scaturo, PharmD

**Title:** Clinical Pharmacist – Emergency Medicine

**Pharmacy School:** Wingate University

**PGY1 Residency Training:** Tampa General Hospital, Tampa, FL

**PGY2 Emergency Medicine:** Tampa General Hospital, Tampa, FL

**First year at SMH:** 2018

**Rotations Offered:** Emergency Medicine – Acute Care

Dr. Nick Scaturo completed his undergraduate studies at the University of Arizona before earning his Doctor of Pharmacy degree from Wingate University in 2016. He completed both a PGY1 Pharmacy Practice Residency and PGY2 Emergency Medicine Pharmacy Residency prior to taking a position as an Emergency Medicine Clinical Pharmacist at SMH in July 2018.

Dr. Scaturo is a member of the PGY1 Resident Advisory Committee and Code Blue Committee. His recent institutional initiatives include implementing criteria for the use of thrombolytics, esmolol and vector change/dual sequential defibrillation during cardiac arrest, developing an emergency medicine pharmacy intranet page and establishing a medication assisted therapy program in the emergency care center. His professional interests include resuscitation, toxicology, and administration.

Dr. Scaturo is an active member of the American College of Clinical Pharmacists and Florida Society of Health-System Pharmacists. He serves on FSHP's Educational Affairs Council where he is responsible for planning and moderating the Emergency Medicine track at the annual meeting. Outside of pharmacy, he enjoys cooking, playing golf and watching sporting events.

## Kellie Wang, PharmD, BCPS, BCCCP

**Title:** Clinical Pharmacist – Emergency Medicine

**Pharmacy School:** University of Florida

**PGY1 Residency Training:** Lakeland Regional Health, Lakeland, FL

**PGY2 Emergency Medicine:** UF Health Jacksonville, Jacksonville, FL

**First year at SMH:** 2016

**Rotations Offered:** Emergency Medicine – Critical Care

Dr. Kellie Wang received her Doctor of Pharmacy at the University of Florida and went on to complete a PGY1 at Lakeland Regional Health and PGY2 in Emergency Medicine at UF Health Jacksonville. Since accepting a position as an Emergency Medicine Clinical Pharmacist at

SMH in 2016, she has precepted multiple student and resident projects, and currently serves as a primary rotation preceptor and RAC mentor for PGY2 residents.

Dr. Wang is passionate about teaching and her time in both community and academic settings has provided her with broad clinical experiences that she hopes to share with future residents. Her professional interests include stroke, anticoagulation reversal, and trauma. She is recognized as a Board Certified Pharmacotherapy Specialist and a Board Certified Critical Care Pharmacist. In her free time, she enjoys spending time with her dog and traveling to new places.

## Alexandra Carlson, PharmD

**Title:** Clinical Pharmacist – Emergency Medicine/Critical Care

**Pharmacy School:** University of Iowa College of Pharmacy

**PGY1 Residency Training:** NorthShore University HealthSystem - Evanston Hospital; Evanston, IL

**PGY2 Emergency Medicine:** Sarasota Memorial Hospital

**First year at SMH:** 2019 (resident), 2020 (clinical pharmacist)

**Rotations Offered:** Emergency Medicine (preceptor-in-training)

Dr. Carlson worked as a pharmacy technician, then an intern at Hy-Vee Pharmacy in Cedar Rapids, IA during college. She received her Doctor of Pharmacy Degree from the University of Iowa, which is also where she did

her undergraduate studies. She moved back home to Lake Zurich, IL during her PGY1 before moving to Sarasota for her PGY2 in Emergency Medicine. Currently, she splits her time between the ER and ICU.

Dr. Carlson is a member of the Florida Society of Health-System Pharmacists, American Society of Health-System Pharmacists, and American College of Clinical Pharmacists. Her interests in addition to emergency medicine include toxicology and creating educational handouts for various specialties and topics. Outside of work, she appreciates concerts, new restaurants, going to the beach, Diet Dr. Pepper, and playing with her puppy.

## Haden Geiger, PharmD

**Title:** Clinical Pharmacist – Emergency Medicine/Critical Care  
**Pharmacy School:** Lipscomb University & Vanderbilt University  
**PGY1 Residency Training:** Cheyenne Regional Medical Center, Cheyenne, WY  
**PGY2 Emergency Medicine:** Sarasota Memorial Hospital, Sarasota, FL  
**First year at SMH:** 2019 (resident), 2020 (clinical pharmacist)  
**Rotations Offered:** Emergency Medicine Overnight Elective (preceptor-in-training)

Dr. Geiger is originally from Nashville, TN where he received his Doctor of Pharmacy degree from Lipscomb University while co-enrolled at the Vanderbilt University School of Medicine where he completed an interprofessional education program. During his interprofessional training, he completed an emergency medicine internship which focused on developing skills in medicine, paramedicine, nursing, and social work. He went on to complete his PGY1 Pharmacy Practice Residency at Cheyenne Regional Medical Center and a PGY2 Emergency Medicine Residency at Sarasota Memorial Hospital prior to accepting an overnight Emergency Medicine & Critical Care Clinical Pharmacist position at SMH.

Dr. Geiger's professional interests include toxicology, trauma, and burn management, as well as wilderness medicine. He is an active member of the American College of Clinical Pharmacists, serving as a resident mentor, and the American Trauma Society. Outside of work, he enjoys traveling, exploring national parks, hiking, mountain biking, and discovering unique local eateries.

## Megan Nguyen, PharmD

**Title:** Clinical Pharmacist – Emergency Medicine/Critical Care  
**Pharmacy School:** University of Florida  
**PGY1 Residency Training:** Sarasota Memorial Hospital  
**PGY2 Emergency Medicine:** Jackson Memorial Hospital  
**First year at SMH:** 2019  
**Rotations Offered:** Overnight Emergency Medicine Elective

Dr. Megan Nguyen was born and raised in Kissimmee, FL. She received her Doctor of Pharmacy from the University of Florida College of Pharmacy Orlando Campus in 2017. She went on to complete a PGY1 Pharmacy Practice Residency at Sarasota Memorial Hospital and PGY2 Emergency Medicine Residency at Jackson Memorial Hospital prior to accepting her position as an overnight Emergency Medicine and Critical Care Clinical Pharmacist at Sarasota Memorial Hospital in July 2019.

Megan is an active member of The American College of Clinical Pharmacy, The American Society of Health-System Pharmacists, and The Florida Society of Health-System Pharmacists. Megan's professional interests include analgesia management, alcohol withdrawal and stroke. In her free time, she enjoys trying new foods, soaking up the sun, and cuddling with her two corgis.

## Kirsten Busey, PharmD, BCCCP

**Title:** Clinical Specialist – Trauma

**Pharmacy School:** University of Georgia

**PGY1 Residency Training:** UF Health Jacksonville, Jacksonville, FL

**PGY2 Critical Care:** UF Health Jacksonville, Jacksonville, FL

**First year at SMH:** 2015

**Rotations Offered:** Trauma/Surgery ICU

Dr. Kirsten Busey received her Doctor of Pharmacy degree from the University of Georgia in 2013. She completed a PGY1 and PGY2 specialty training in Critical Care prior to taking an Emergency Medicine Clinical Pharmacist position at SMH in 2015. In 2016, she transitioned to the position of Trauma Clinical Specialist and offers both students and residents the opportunity to rotate with the trauma team. She obtained her Board Certification in Critical Care in 2017.

Dr. Busey has an interest in research in the areas of traumatic brain injury, hyperosmolar therapy, and anticoagulant reversal. One of her favorite aspects of her job is teaching students, residents, nurses, and providers. She has been involved in quality improvement projects related to ICU sedation, procedural sedation, DVT prophylaxis, antimicrobial stewardship, and code blue response.

At SMH, Dr. Busey is involved with the Trauma Quality Committee, Code Blue Committee, and the Anticoagulation Team. She is currently the second chair of the Pharmacy Research Oversight Committee. She is an active member of the Neurocritical Care Society and SCCM. In her spare time, she enjoys traveling, snowboarding, and yoga.

## Anit Legare, PharmD, BCCCP

**Title:** Clinical Specialist – Critical Care

**Pharmacy School:** Purdue University

**PGY1 Residency Training:** Methodist Hospital, Detroit, MI

**PGY2 Infectious Diseases/Critical Care:** Henry Ford Hospital, Detroit, MI

**First year at SMH:** 1999

**Rotations Offered:** Cardiovascular ICU, Neuroscience ICU

Dr. Anit Legare received her BS (Microbiology) from Indiana University, and her Doctor of Pharmacy degree from Purdue University. She completed a PGY1 Pharmacy Practice Residency and a PGY2 residency in Infectious Diseases/Critical Care. She has practiced as a Clinical Specialist – Critical Care since 1999 and obtained Board Certification in Critical Care in 2016.

During her time at SMH, Dr. Legare has worked on numerous projects in the ICU including participation in a national collaborative to implement the Liberation Bundle, and residency projects focusing on reducing delays in second dose antibiotics in septic patients and decreasing PPI use via a multimodal initiative.

Dr. Legare is an active member of the Society of Critical Care Medicine and American College of Clinical Pharmacy. In her spare time, she can be found at the soccer and track fields cheering on her three children.

## Toni Vilella, PharmD, BCCCP, BCPS

**Title:** Clinical Specialist – Critical Care

**Pharmacy School:** Texas Tech University Health Sciences Center (TTUHSC) School of Pharmacy

**PGY1 Residency Training:** TTUHSC School of Pharmacy, Lubbock, TX

**PGY2 Critical Care:** UMC of Southern Nevada, Las Vegas, NV

**First year at SMH:** 2013

**Rotations Offered:** Medical ICU, Transitions of Care

Dr. Toni Vilella received her Doctor of Pharmacy from TTUHSC School of Pharmacy in Amarillo. After completing her post-graduate training, Dr. Vilella settled in Florida and joined the SMH team as a PRN pharmacist in the ED. In

2017, she transitioned into her current role as Clinical Specialist – Critical Care. Dr. Vilella is double-board certified in Pharmacotherapy and Critical Care.

Dr. Vilella is an active member of the SMH Critical Care and Pharmacy Research Oversight committees and participates in daily multidisciplinary rounds with internal and emergency medicine residents and other members of the critical care team. She is also a member of the PGY2 Resident Advisory Committee.

Dr. Vilella holds leadership positions and remains extremely active in both the American College of Clinical Pharmacy and the Society of Critical Care Medicine. In her spare time, she enjoys spending time with her family and fostering puppies for Southeastern Guide Dogs.

## Becca Toor, PharmD, BCCCP

**Title:** Clinical Specialist – Critical Care  
**Pharmacy School:** LECOM School of Pharmacy  
**PGY1 Residency Training:** Orlando Health, Orlando, FL  
**PGY2 Critical Care:** Orlando Health, Orlando, FL  
**First year at SMH:** 2020

**Rotations Offered:** Critical Care, Neuro Critical Care

Dr. Becca Toor is originally from Englewood, FL and received her Bachelor's in Chemistry from Winthrop University in Rock Hill, South Carolina. She went on to receive her Doctorate of Pharmacy degree from LECOM School of Pharmacy and completed both her PGY-1 and PGY-2 in Critical Care at Orlando Regional Medical Center in Orlando, Florida.

Dr. Toor started her pharmacy career as a Critical Care Clinical Specialist at Broward Health Medical Center where she worked for two years and obtained Board Certification in Critical Care in 2019. She joined the SMH Critical Care Specialist team in July of 2020, and has become actively involved in resident projects, order set development, and quality improvement projects.

Dr. Toor interests include status epilepticus, intracranial hypertension management, hemorrhagic stroke, alcohol withdrawal, and hyperactive delirium. She is an active member of FSHP and SCCM. In her spare time, she enjoys playing competitive beach volleyball, boating, and traveling.

## Amy Giovino, PharmD

**Title:** Clinical Specialist – Formulary Coordinator  
**Pharmacy School:** University of Connecticut; Nova Southeastern University  
**First year at SMH:** 1990  
**Rotations Offered:** Formulary Management

Dr. Giovino has worked at SMH since 1990 where she has served as Formulary Coordinator and Drug Information Specialist for the past 20 years. Dr. Giovino's areas of interest include anticoagulation management and reversal and community outreach education. Dr. Giovino serves as the Secretary to Pharmacy and Therapeutics Committee, Chair of Anticoagulation Team, Chair of the Drug Shortage Committee, and Pharmacy Leader on the Medical Education Committee.

Dr. Giovino has most recently worked on development of: anticoagulation reversal–protocols (including the use of PCC and andexanet), tranexamic acid protocol to decrease post-operative bleeding in orthopedic patients, developing a comprehensive pharmacy checklist to improve safety of immunosuppressant medications in transplant patients, and implementation of ISMP-recommended practices to prevent medication errors in hospitalized patients with Parkinson's disease.

Dr. Giovino is a member of the Florida Society of Health-System Pharmacists, American Society of Health-System Pharmacists, and American College of Clinical Pharmacists. In her spare time, she enjoys spending time with her family and two dogs and going to the beach.

## Jamie Kisgen, PharmD, BCPS, BCIDP

**Title:** Pharmacy Manager, Infectious Diseases Services, PGY1 Pharmacy Practice Residency Program Director

**Pharmacy School:** University of Florida

**PGY1 Residency Training:** Tampa General Hospital, Tampa, FL

**PGY2 Infectious Diseases:** Boston Medical Center, Boston, MA

**First year at SMH:** 2008

**Rotations Offered:** Infectious Diseases

Dr. Jamie Kisgen currently serves as the Pharmacy Manager for Infectious Diseases Services and program director of the PGY1 Pharmacy Residency.

He is Board Certified in both Pharmacotherapy and Infectious Diseases. Dr. Kisgen's responsibilities include co-directing the Antibiotic Stewardship Program, providing staff education, research, and precepting pharmacy students and residents.

Dr. Kisgen is a member of the Infectious Diseases Society of America, American College of Clinical Pharmacy, American Society of Health-System Pharmacists, and Society of Infectious Diseases Pharmacists and serves on numerous committees for professional organizations. In his spare time, he enjoys playing golf and traveling with his family.

## Laurie LeBoutillier, R.Ph.

**Title:** Informatics Specialist

**Pharmacy School:** Rutgers University College of Pharmacy

**First year at SMH:** 2002

**Rotations Offered:** Informatics

Laurie LeBoutillier practiced in retail, hospital, and nursing home settings before moving to Florida in 1990. After several years at Eckerd, she came to SMH per diem in 2002 as part of the Horizon Meds Manager (HMM) pharmacy system implementation team. After a successful go-live she was asked to remain as full time Pharmacy System Administrator (SA). She became the lead Pharmacy SA in 2006; working with a team that has recently expanded to a total of four pharmacists and two technicians.

Laurie has been precepting the Informatics rotation since 2008 and has had several former residents pursue PGY2 training in Informatics. From Dec 2012 to April 2014 she led the implementation team during the transition from HMM to Sunrise Pharmacy (SRx). In August 2017, she began providing data analysis of our Medication Barcode process (KBMA) and has been a passionate voice for medication safety, working with nursing leadership to see our KBMA percentage climb to over 95%. Her Pharmacy SA team manages the Pharmacy Information System, the automated dispensing machines, and other minor pharmacy systems. She is active with the Finance department for compliance with regulatory issues related to medications; and she works with hospital's Clinical Systems department and information system on a weekly basis to coordinate system changes as they relate to medications and pharmacy workflow.

## Ashley Nazareno, PharmD, BCPP

**Title:** Clinical Specialist – Psychiatry

**Pharmacy School:** University of Maryland School of Pharmacy

**PGY1 Residency Training:** Union Memorial Hospital, Baltimore, MD

**PGY2 Psychiatry:** University of Maryland School of Pharmacy, Baltimore, MD

**First year at SMH:** 2015

**Rotations Offered:** Psychiatry

Dr. Ashley Nazareno began her career as Clinical Psychiatric Pharmacy Specialist at Spring Grove Hospital Center where she offered students, PGY1 residents, and PGY2 psychiatric pharmacy residents the opportunity to rotate on both acute and long-term care psychiatric units. In 2015, she relocated to Florida and accepted her current position as Clinical Specialist – Psychiatry.

At her current practice site she works with both the adult and child/adolescent patient populations. She offers an elective rotation to pharmacy students and residents in acute care psychiatry. She is a board certified psychiatric pharmacist and is an active member of The College of Psychiatric and Neurologic Pharmacists (CPNP).

## Amy Owen, PharmD, BCPS

**Title:** Pharmacy Specialist-Pain Management

**Pharmacy School:** LECOM School of Pharmacy

**PGY1 Residency Training:** Sarasota Memorial Hospital, Sarasota, FL

**First year at SMH:** 2008

**Rotations Offered:** Pain Management

Dr. Amy Owen currently serves as the pain management specialist. Dr. Owen completed a Pain Management Certificate Program from the University of Southern Indiana in 2018 and is also a Board Certified Pharmacotherapy Specialist. Dr. Owen's responsibilities include co-chairing the Pain Management Stewardship Committee, providing staff education and precepting pharmacy residents and students

Dr. Owen is a member of American Society of Health-System Pharmacists and the American Society of Pain Educators. In her spare time, she enjoys spending time with her family and trips to Disney World.

## Megan Seddon, PharmD, BCIDP

**Title:** Clinical Pharmacist

**Pharmacy School:** University of Georgia

**PGY1 Residency Training:** Sarasota Memorial Hospital, Sarasota, FL

**PGY2 Infectious Diseases:** Palmetto Health, Columbia, SC

**First year at SMH:** 2016

**Rotations Offered:** Infectious Diseases

Dr. Megan Seddon received her Doctor of Pharmacy degree from the University of Georgia in 2016. She completed a PGY1 Pharmacy Practice Residency at SMH and a PGY2 Infectious Diseases Residency at the University of South Carolina/Palmetto Health before taking a position as a Clinical Pharmacist with the Antimicrobial Stewardship team at SMH in 2018.

Dr. Seddon has worked on several projects and led the implementation of area-under-the-curve (AUC)-guided dosing of vancomycin. Dr. Seddon is an active member of the Society of Infectious Diseases Pharmacists, the American Society of Microbiology, the Florida Society of Health-System Pharmacists, and the American Society of Health-System Pharmacists. In her spare time, she is an amateur photographer, veteran bookworm, and loves to travel.
