

Recruiting Scams

All communication from Northwell Health regarding career opportunities are completed through Northwell Health's applicant tracking systems, which can be reached through our careers webpage [[jobs.Northwell.edu](https://jobs.northwell.edu)] or from a *@northwell.edu* email address. If you are interested in working at Northwell Health we encourage you to explore our careers webpage.

It has come to our attention that unauthorized individuals have attempted to use the Northwell Health name and logo, as well as the names of directors, executives and employees, in emails and on websites to solicit up-front fees from prospective candidates. **Please Note: All interviews or requests for candidate information will be made through official representatives of Northwell Health.** Any offers or solicitations that charge an advance fee of any kind (e.g., placement fees, immigration processing fees, etc.) are not made by Northwell Health and should be considered fraudulent.
