

Baylor Scott & White Health Nurse Residency / Internship Program Summer 2017

Requirements for consideration:

- ADN required, BSN preferred
- 3.0+ nursing GPA required for all North Texas campuses

How to apply:

- Summer 2017 nurse residency / specialty internship opportunities are posted beginning February 1, 2017 for all BSWH campuses, Central and North Texas
- Occasionally, we will post additional openings as our business needs change
- Positions begin in June and July 2017
- Apply at jobs.BSWHealth.com

Specialties:

- **Adult:** Med/Surg, Rehab, Telemetry, Progressive Care, Critical Care, Oncology, Transplant, Women's Services, ED, OR and Resource Pool
- **Pediatric:** Med/Surg, PICU, NICU, ED, OR and Supplemental Float Pool
- Pediatric services are offered in Central Texas only
- Internship opportunities vary by campus
- Not all specialties and campuses are available each season
- Access specialty and location webinars on our Facebook page to learn more

Application Process:

- Please limit your applications to three (3) per division (Central Texas and North Texas)
- Opportunities are posted by campus location. Specialty internships offered at each campus are listed within the posting
- An updated resume is required and should include clinical rotations listed by semester
- A cover letter is suggested
- Please do not attach letters of recommendation or transcripts to your online application. We recommend that you bring these documents to your interview if you are invited to meet with a hiring manager

Selection Process:

- All applications must be submitted online at jobs.BSWHealth.com
- Complete the nursing selection assessment to submit your application
- All applications that meet the minimum requirements will be reviewed
- Complete a video interview or phone screen
- Hiring manager reviews phone screen, resume and cover letter if included
- Interviews are scheduled
- Hiring decision is made and offer is extended

Helpful Hints:

- Apply early and keep an open mind
- Answer all pre-screening questions
- Allow a minimum of 30 minutes to complete the nursing selection assessment
- Be patient as we receive a large volume of applications. You should assume that your application remains under consideration until you hear otherwise
- Connect with us on Facebook at **'BSWH Graduate Nurses'** to receive relevant program updates and announcements
